JOBBER, DAVID/E,2016-03-16 *EBOOK Principles and Practice of Marketing* **Digest of Japanese Industry & Technology** ,1994 *Around the World In 88 Years* Peter William Kent,2015-06-23 This memoir encompasses 88 years of an interesting life The book describes unusual happenings in the life of a social activist reformer global traveler and internationalist The author writes about uncommon incidents that occurred during his years as a global traveling consultant in organization development He describes several noteworthy incidents that took place while serving in the British Army during World War II His book contains stories about several distinctive individuals he encountered during his long life The author describes family origins including ancestors who lived high in the Italian Alps He describes his life in a small Swiss

village and subsequent residency in the south of England His book portrays 17th century Italian farming describes medieval English villages and reminisces about the Battle of Britain He writes about international events in Africa while serving as a Senior Advisor in the United Nations He describes the impact of political change and other significant events that occurred in several African countries His stories encompass many topics including the United Nations a retiscent ghost the Navy League of the U S and an African political revolution The reader learns about wild animals in Africa the endless breeding of African mosquitos and the foreign aid delivered to this continent He presents panoramas of unusual global incidents makes light of some unusual public events and tells fascinating stories about several very odd individuals The book contains humorous and original tales embracing 88 years of excitement in a remarkable world *Private Security Companies during the Iraq War*

Scott Fitzsimmons,2015-07-16 This book explores the use of deadly force by private security companies during the Iraq War The work focuses on and compares the activities of the US companies Blackwater and Dyncorp Despite sharing several important characteristics such as working for the same client the US State Department during the same time period the employees of Blackwater fired their weapons far more often and killed and seriously injured far more people in Iraq than their counterparts in DynCorp In order to explain this disparity the book undertakes the most comprehensive analysis ever attempted on the use of violence by the employees of these firms Based on extensive empirical research it offers a credible explanation for this difference Blackwater maintained a relatively bellicose military culture that placed strong emphasis on norms encouraging its personnel to exercise personal initiative proactive use of force and an exclusive approach to security which together motivated its personnel to use violence quite freely against anyone they suspected of posing a threat Specifically Blackwater s military culture motivated its personnel to fire upon suspected threats more quickly at greater distances and with a greater quantity of bullets and to more readily abandon the people they shot at when compared to DynCorp s personnel who maintained a military culture that encouraged far less violent behaviour Utilizing the Private Security Company Violent Incident Dataset PSCVID created by the author in 2012 the book draws upon data on hundreds of violent incidents involving private security personnel in Iraq to identify trends in the behaviour exhibited by the employees of different firms Based on this rich and original empirical data the book provides the definitive study of contemporary private security personnel in the Iraq War This book will be of much interest to students of the Iraq War Private Security Companies Military Studies War and Conflict Studies and IR in general **Solongus2**
