**Dreamers** Yuyi Morales, 2018-09-04 We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength and her stories with her when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of *Bright Star*, *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time, but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her and still do, and a description of the beautiful images, textures and mementos she used to create this book. A parallel Spanish language edition, *So adores*, is also available.
