Peacebuilding Paradigms Henry F. Carey,2020-12-17 Peacebuilding is explained by combining interpretive frameworks paradigms that have evolved from the subfields of international relations and comparative politics

Yemen's Road to War Saddam Abdulkarim Obaid,2023-08-18 War can be woven into the social fabric of a country Threats to the national identity of Yemen were not born yesterday nor was it born when the war began in 2015 This is a story whose depths go all the way back to the middle of the 20th century and the diverse sectarian and regional actors within Yemen at that time Efforts made to uncover the motives of this conflict's development and motivations included exclusive interviews with the representatives of all Yemeni active parties By approaching each perspective this book develops an approach to see where the real roots of the conflict lie and to explore the possibility that a common ground could be found to restore peace and stability to Yemen

Imitation in International Relations B. Goldsmith,2005-03-01 Imitation and emulation are mechanisms of competition in international relations that are theoretically posited but empirically diffuse Goldsmith provides a trenchant overview of the extant literature and

evidence finding that specification and operationalization problems may explain the disconnect Providing a distinctive and generalizable approach drawing on concepts from psychology and organizational behavior this book refines theories of foreign policy to include observational learning to identify when imitation is likely and what behaviors are most imitated Both statistical and case study methods are used to uncover patterns of analogy usage Looking at Russia and the Ukraine Goldsmith increases our understanding of the foreign policies of these two states while also expanding the empirical base of research By exploring the practical and theoretical significance of learning and imitation this is an important contribution for foreign policy professionals and scholars

Global Politics and Violent Non-state Actors Natasha Ezrow, 2017-03-13 Moving beyond terror groups to examine non state actors including warlords gangs and private security companies Violent Non State Actors Guides you through the core theories and concepts taking a multidisciplinary approach Examines different explanations for the emergence of violent non state actors as well as strategies for dealing with them Weaves in international case studies from groups including the Islamic State Los Zetas Hamas and Al Qaeda as well as discussion questions further reading and definitions of key terms A must read for upper level undergraduate and postgraduate students in politics international relations security and terrorism studies

Great Powers and US Foreign Policy towards Africa Stephen M. Magu, 2018-08-14 This book addresses one main question whether the United States has a cohesive foreign policy for Africa In assessing the history of the United States and its interactions with the continent particularly with the Horn of Africa the author casts doubt on whether successive US administrations had a cohesive foreign policy for Africa The volume examines the historical interactions between the US and the continent evaluates the US involvement in Africa through foreign policy lenses and compares foreign policy preferences and strategies of other European EU and BRIC countries towards Africa

The Essentials of International Public Law Amos Shartle Hershey, 1912

The Regional Order in the Gulf Region and the Middle East Philipp O. Amour, 2020-07-04 This book examines the regional order in the Gulf Region and the wider Middle East focusing on regional rivalries and security alliances The authors analyze the regional system in terms of its general structure as well as the major inter state and non state security alliances The structure of the regional system in the wider Middle East and the shake ups it has experienced explain the ongoing regional rivalry and polarization since 2011 in hotspots such as Syria Yemen and Libya As such the various chapters address regional transition and power dynamics between and among regional great powers and non state militant actors across the Gulf Region and the wider Middle East in terms of the alliance building persistence and disintegration since 2011

Perspectives on International Relations Henry R. Nau, 2018-01-03 Perspectives on International Relations Power Institutions and Ideas shows students new to the field how theories perspectives of international affairs realism liberalism constructivism identity and critical theory play a decisive role in explaining every day debates about world affairs Why for example do politicians and political scientists disagree about the causes of the ongoing conflict in Syria even though they all have the same facts Or why do

policymakers disagree about how to deal with North Korea when they are all equally well informed The new Sixth Edition of this best seller includes updates on Brexit the rise of Donald Trump and other populist leaders and continuing developments for ISIS Syria and Russia International Law for Seagoing Officers, 6th Edition Craig H Allen,2014-05-15 For those who operate on under and over the sea international law can sometimes be as complex as it is important Written by the same former seagoing officer and maritime law professional who authored the current edition of Farwell s Rules of the Nautical Road this book was designed to bring clarity and context to international law for the seagoing professional Following an introduction to public international law and a short history of the law of the sea the book describes the rules that apply in ports and in the adjacent maritime zones including the territorial sea exclusive economic zone archipelagic waters and the high seas A highlight of the book are the chapters that focus on the subjects of greatest interest to the seagoing professional including military and intelligence activities in the maritime domain maritime law enforcement activities and the use of force at sea The appendices include the text of the 1982 UN Convention on the Law of the Sea Whether an academy cadet a midshipman a seasoned commanding officer or a master mariner readers of this thorough and timely book will be rewarded with a far greater understanding of the international laws that govern ships and mariners at sea **What Do We Know about War?** Sara McLaughlin Mitchell,John A. Vasquez,2024-01-09 This invaluable text assesses the current research on the causes of both war and peace In this revised third edition now with a brand new chapter on the Russian Ukraine War leading international relations scholars explore the role of territorial disputes power alliances arms races rivalry and nuclear weapons in bringing about war the outcomes and consequences of war and the factors that promote peace including democracy norms capitalist economies and stable borders The revised third edition includes a section on emerging trends in research on cyber war the environment and climate change leaders war financing and trends in interstate conflict Reviewing fifty years of scientific research the contributors provide an accessible and up to date overview of current knowledge and a road map for future research Ghana's Foreign Policy Charles Asante,2024-08-19 Ghana s Foreign Policy Kwame Nkrumah s Normative Legacy and Pan Africanism examines Ghana s foreign policy in the post independence era focusing on the enduring legacy of Kwame Nkrumah This book also analyzes the complexity of post independence foreign policy decision making and the influence of the post colonial narrative during the Cold War In this study Charles Asante argues that the significance and continuity of Nkrumah s legacy is often attributed to his pan Africanist leadership on the African continent fervently articulating an independent African foreign policy Leaders like Nkrumah considered themselves as the redeemers of Africa s political and economic vulnerability from its colonial experiences Asante finds that in contrast to the positive experience associated with his independence movement for Ghana Nkrumah could not build the same kind of vision engagement and networks among other African nationalist leaders necessary for successful promotion of a Pan African region Despite Nkrumah s own foreign policy failures in the Congo the United States of Africa project and his sudden

overthrow in 1966 Nkrumah's Pan African vision is still promoted as an important foreign policy objective by Ghana's politicians, public servants, military and academics

The Mega Yearbook 2021 for Competitive Exams - 6th Edition Disha Experts, **The Yearly Current Affairs 2021 for Competitive Exams 6th Edition** Disha Experts, 2020-02-04

Theories of International Relations, 2022-01-13 This introductory textbook on international relations theory brings together a selection of leading experts to offer an unparalleled insight into the main paradigms and latest developments in the discipline. Presenting a full range of theories from realism and liberalism to institutionalism and green theory, the sixth edition of this book has been extensively revised to offer a more global introduction to international relations. It showcases insights from across the world and employs a historical and sociological perspective throughout to demonstrate how any understanding of IR is time and place contingent. New to this edition are two new chapters on postcolonialism and institutionalism as well as boxed cases which apply theory to contemporary empirical examples including gendered policy in the UN, the phenomenon of fake news, issues on migration and the crisis of the Amazon's forest fires. Assuming no prior knowledge of international relations theory, this text remains the definitive companion for all students of international relations and anyone with an interest in the latest scholarship of this fascinating field.

Building Global Education with a Local Perspective Emmanuel Jean Francois, 2015-04-01 Glocal education melds the economic advantages of globalizing higher education with the benefits of incorporating local perspectives. This book explores glocal education's rationale, social, cultural, and economic foundations, key concepts, and implementation.

Scientific Realism and International Relations J. Joseph, C. Wight, 2010-07-30 Critical and scientific realism have emerged as important perspectives on international relations in recent years. The attraction of these approaches lies in the claim that they can transcend the positivism vs postpositivism divide. This book demonstrates the vitality of this approach and the difference that realism makes.
