length of time Can you imagine what it s like to try to find a job when you have felonies on your record Are there any words to describe the heart of a mother as she watches her youngest child die It s taken my whole life to realize that the main person I ve been battling against has been me As such my memoir delves into raw detail about my war with my myself I open up about my crystal meth addiction and how I became a drug dealer in Houston Tx The pain of growing up in poverty under the hand of an abusive dad is put on display as well The time I spent serving in the Air Force during Don t Ask Don t Tell and the promiscuity that went along with it is also divulged I talk about how I received my HIV diagnosis on a voicemail and my Hep B diagnosis in the postal mail My story gets more intense as I share about how I got 3 felonies the time I spent in jail and how I ended up homeless after S W A T kicked my door in I talk about the biggest heartbreak in my life which happened when I was kicked out of a megachurch that I had served with my whole soul for years just because I am a member of the 2SLGBTQIA community and refused to accept the conversion therapy package they offered So often people judge those who have been in similar situations My hope is that my honesty can offer a glimpse into these issues from the inside rather than from the outside looking in I struggled with dividing my memoir into two separate books but I felt it would be more impactful to tell everything all at once My memoir is my testament and it s the greatest form of outreach I have ever offered to the world I hope that I can earn your trust and attention with the words I have written within these pages **Prescription**
