Chasing Her Shadow Vlad Birsan,2025-03-21 Chasing Her Shadow was born one night from a thought that bothered me It was way past midnight and I had other things to do I was at work in the middle of the night shift and my mind was somewhere else I was struck by the idea of a small or big event that could shift our perception about time and how this could

lead to significant changes into someone's life The next morning instead of going to sleep as I should have done I lit up a cigarette and started typing and I didn't finish until the first chapter was done This book is divided into two parts In the first part I'm telling you the story of Colt who faces a big event that makes him lose his perception about time Something happens with him and that something nearly costs him his life You'll have to find out what Then in the second part you'll find out the aftermath of the event from the first part The book is also about love adventure friendship and trust And the most important thing living life guided by one single phrase *Le vent nous portera*

Round the Bend Jeremy Clarkson, 2011-10-13 Jeremy Clarkson gets REALLY riled up in Round the Bend What's it like to drive a car that's actively trying to kill you This and many other burning questions trouble Jeremy Clarkson as he sets out to explore the world from the safety of four wheels Avoiding the legions of power-crazed traffic wombles attempting to block highway and byway he Shows how the world of performance cars may be likened to Battersea Dogs Home Reveals why St Moritz may be the most bonkers town in all of the world Reminds us that Switzerland is so afraid of snow that any flakes falling on the road are immediately arrested Argues that washing a car is a waste of time Funny globe trotting irreverent and sometimes downright rude Round the Bend is packed with curious and fascinating but otherwise hopelessly useless stories and facts about everything under the sun and just occasionally cars It's Jeremy Clarkson at his brilliant best Praise for Jeremy Clarkson Brilliant laugh out loud Daily Telegraph Outrageously funny will have you in stitches Time Out Very funny I cracked up laughing on the tube Evening Standard
