Simpson, Sr., 2024-06-18 Having worked for almost fifty years of my life and ultimately retiring from two separate careers I found myself sitting at home obsessed with the question what do I do now I watched numerous daily programs on TV I knew I had to do something or risk the chance of just fading away During these thought processes I wondered back over my life day in and day out For some reason I found it difficult to believe that I had accomplished so much in my life yet so little I knew there was more to come After stumbling upon some memories which I thought were long forgotten I just knew I had to put those thoughts to paper before they were forgotten again Thus began three years of writing my life story so much so that some publishers recommended I write two books The motivation to write my life story was also a desire to leave my two children five grandchildren and now five great grandchildren some semblance of not only my life story but that of our immediate ancestors This book is my legacy in my own words the way I saw it for them and others who may be interested in the story of a little boy from Selma Alabama
