From The Fifteenth District Stories:

The Cambridge Guide to Women's Writing in English Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures, using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

Paris Stories Mavis Gallant, 2011-04-27 A NEW YORK REVIEW BOOKS ORIGINAL

Mavis Gallant is a contemporary legend, a frequent contributor to *The New Yorker* for close to fifty years, who has, in the words of *The New York Times*, radically reshaped the short story for decade after decade. Michael Ondaatje's new selection of Gallant's work gathers some of the most memorable of her stories, set in Europe and Paris, where Gallant has long lived. Mysterious, funny, insightful and heartbreaking, these are tales of expatriates and exiles, wise children and straying saints. Together they compose a secret history, at once intimate and panoramic, of modern times.

Transient Questions, 2021-09-20

Mavis Gallant has been a leading literary figure in Canada since her first short story published in 1951 and has grown to be considered internationally as a modern master of the genre. Her writing is nuanced, sensitive, gifted, deep and concise. She leaves everything open for the hidden potential that can always be discovered. Times change, society, history, politics may develop out of recognition. Cultures metamorphose. Literary landscapes and theories are renewed. But the classics of our time stay where they are, pillars of that which is solidly about us. Mavis Gallant's work is of that calibre; her writing will remain interesting and relevant no matter what else happens. This book is an exploration of what Gallant's readers are thinking now, where they place her in the panorama of literature and what meaning she has for them now. Scholars continue to probe into the stories, their characters, the capsules of history they present and continue to find them challenging. As with Shakespeare, no amount of scrutiny will yield the final answer. That is how complex Gallant's writing is. Especially now, when the positioning of her characters is a more prominent condition in general, we need to review Gallant's artistic insights. As Francine Prose says in *Harper's Magazine*, Gallant's cast of characters are a motley assortment of refugees, fugitives and travelers and displaced persons scrambling on the margins of a society they will never belong to. This is the modern condition. As with other great writers, Gallant shows herself to be prophetic in cutting down to the roots of the sensibility of our era. We are reading her work and we are thinking about it and talking about it. This book is part of that large conversation. Contributors are Neil Besner, Di Brandt, Nicole C. t. John, Lent, Gerald Lynch, Maria Noelle Ng, Peter Stevens, Simone Vauthier, Per Winther.

Montreal Stories Mavis Gallant, 2011-05-18 In Gallant's stories the conflicts, obsessions and concerns the near impossibility of gaining personal freedom without inflicting harm on those whom you love and who love you the difficulty of forgiving a cruel and selfish parent without sentimentalizing him or the pain of failed renewal are limned with an affectionate irony and generated by a sincere belief in their ultimate significance significance not just for the characters who embody them but for the author and presumably the reader as well Russell Banks from his introduction Mavis Gallant is the modern master of what Henry James called the international story the fine grained evocation of the quandaries of people who must make their way in the world without any place to call their own The complexity of the very idea of home is alive in the stories Gallant has written about Montreal *Montreal Stories* Russell Banks's new selection from Gallant's work demonstrates anew the remarkable reach of this writer's singular art Among its contents are three previously unpublished stories as well as the celebrated semi autobiographical sequence about Linnet Muir stories that are wise funny and full of insight into the perils and promise of growing up and breaking loose

The English Short Story in Canada Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro

The Collected Stories of Mavis Gallant Mavis Gallant, 2016-08-09 This generous collection of fifty two stories selected from across her prolific career by the author includes a preface in which she discusses the sources of her art A widely admired master of the short story Mavis Gallant was a Canadian born writer who lived in France and died in 2014 at the age of ninety one Her more than one hundred stories most published in *The New Yorker* over five decades beginning in 1951 have influenced generations of writers and earned her comparisons to Anton Chekhov Henry James and George Eliot She has been hailed by Michael Ondaatje as one of the great story writers of our time With irony and an unfailing eye for the telling detail Gallant weaves stories of spare complexity often pushing the boundaries of the form in boldly unconventional directions The settings in *The Collected Stories* range from Paris to Berlin to Switzerland from the Italian Riviera to the Côte d'Azur and her characters are almost all exiles of one sort or another as she herself was for most of her expatriate life The wit and precision of her prose combined with her expansive view of humanity provide a rare and deep reading pleasure With breathtaking control and compression Gallant delivers a whole life a whole world in each story

Fifteen Years in Exile Barry Callaghan, 1992

Learning to Look Lesley D. Clement, 2000-04-01 In *Learning to Look* Lesley Clement traces the evolution of Mavis Gallant's visually evocative style through five decades of her short fictional works From her earliest explorations of displacement and the disparity between perception and reality through her later explorations of memory and history to her more recent explorations of the

role of culture in a contemporary world where commercialism and madness threaten to extinguish the potential for illumination and enlightenment Gallant envisages and renders her fictional world with the techniques analogous to those of visual artists Clement shows us that Gallant's fiction of the 1940s and 1950s exhibits a keen interest in perspective and proportion achieved through concentration on line that her fiction of the 1960s and early 1970s reveals a heightened interest in composition achieved through a focus on framing proportion and form or shape and that her fiction after the mid 1970s demonstrates the full realization of her art through attention to colour and light Gallant increasingly explores the boundaries between visible and invisible worlds as the lines shapes and colours suggested by her allusions analogies and structures give her fiction the perspective proportion density and fluidity that illuminate the printed page and challenge us as readers Alert to visual cues in Gallant's fiction we acquire a heightened perception of the manifold richness of worlds and lives that might otherwise have been relegated to the unseen and unsung Short Story Index, 1979 **From the Fifteenth District**

Mavis Gallant, 2018-08-07 Set in Europe in the aftermath of the Second World War the nine stories in this glittering collection reflect on the foibles and dilemmas of human relationships An English family goes to the south of France for the sake of the father's health and to get away from an England of rationing and poverty A displaced person turned French soldier in Algeria now makes a living as an actor in Paris A group of selfish English expatriates on the Italian Riviera are incredulous that Mussolini and the Germans may affect their lives A great writer's quiet widow blossoms in widowhood to the surprise and alarm of her children who send a ten year old grandson to Switzerland to keep her company one Christmas Full of wry humour and penetrating insights this is Mavis Gallant at her most unforgettable
