Extra Sensory Deception Allison Kingsley,2014-08-05 As the owners of the Raven s Nest bookstore cousins Stephanie and Clara Quinn are the premier booksellers in the quaint town of Finn s Harbor Maine But with Clara s inherited ability to read minds and see the future she s also the premier crime solver You don t have to be a psychic to know The rodeo is coming to town Clara s boyfriend Rick Sanders invites her to the show to meet his high school buddy and expert calf roper Wes Carlton But when Clara s Quinn Sense offers her a disturbing vision involving a rodeo clown she worries that there will be more danger at the rodeo than just the traditional bucking bronco Of course her premonition turns out to be accurate and a dead body is discovered behind the concert stage strangled by Wes s piggin string Rick is sure that there s no way Wes could have murdered anyone but he s going to need Clara s Quinn Sense to keep the authorities from roping the wrong suspect

Locating Classical Receptions on Screen Ricardo Apostol,Anastasia Bakogianni,2018-10-19 This volume explores film and television sources in problematic conversation with classical antiquity to better understand the nature of artistic reception and classical reception in particular Drawing inspiration from well theorized fields like adaptation studies comparative literature and film the essays in this collection raise questions fundamental to the future of reception studies The first section Beyond Fidelity deals with idiosyncratic adaptations of ancient sources the second section Beyond Influence discusses modern works purporting to adapt ancient figures or themes that are less straightforwardly ancient than they may at first appear while the last section Beyond Original uses films that lack even these murky connections to antiquity to challenge the notion that studying reception requires establishing historical connections between works As questions of audience interpretation and subjectivity are central to most contemporary fields of study this is a collection that is of interest to a wide variety of readers in the humanities
