Impossibly brilliant.
Totally rebellious.

Good Will Hunting Ben Affleck,Matt Damon,1997-12-25 As director Gus Van Sant observes in the introduction to Matt Damon s and Ben Affleck s screenplay Good Will Hunting the two young actors somewhat resemble the characters they play in the film they re best friends and Affleck who plays Chuckie habitually chauffeurs Damon Will who doesn t drive Van Sant says we can see how badly Damon drives by watching the film s last scene in which he is actually driving the car with the camera mounted on it But Damon and company write better than he drives this script contains some of the boldest best monologues since Pulp Fiction Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks trimming the script into a precision instrument Though the stills from the film are not perfectly matched to their places in the script this story remains as much a joy to read as it is to watch on the big screen

Rethinking America's Past Robert Cohen, Sonia E. Murrow, 2021-11-01 No introductory work of American history has had more influence over the past forty years than Howard Zinn's *A People's History of the United States* which since its publication in 1980 has sold more than three million copies Zinn's iconoclastic critique of American militarism racism and capitalism has drawn bitter criticism from the Right most recently from President Donald Trump who at his White House Conference on American History in 2020 denounced Zinn as a Left propagandist and accused teachers aligned with Zinn of indoctrinating students to hate America and be ashamed of its history *Rethinking America's Past* is the first work to use archival and classroom evidence to assess the impact that Zinn's classic work has had on historical teaching and learning and on American culture This evidence refutes Trump's charges showing that rather than indoctrinating students Zinn's book has been used by teachers to have students debate and rethink conventional versions of American history *Rethinking America's Past* also explores the ways Zinn's work fostered deeper more critical renderings of the American past in movies and on stage and television and traces the origins and assesses the strengths and weaknesses of *A People's History* in light of more recent historical scholarship
