Gordon Edith Templeton

Christian G. Meyer

Gordon Edith Templeton:

Gordon Edith Templeton,2004-05-11 Louisa is a clever self reliant woman who has just been discharged from her duty as an officer in the British Army during World War II In a London pub one afternoon she meets Gordon a slight peculiar psychiatrist with queer eyes and a strange charisma Within an hour Louisa has been sexually conquered by him on a garden bench So begins an affair in which Gordon compulsively violates Louisa s body and psyche while Louisa matches his onslaughts with an insolent submission As their entanglement deepens Louisa finds a heady emotional satisfaction beneath the humiliation that Gordon inflicts and comes to a new understanding of her troubled history and the self that has emerged from it Originally published under a pseudonym in 1966 Gordon was banned in England and Germany for its frank sexual content and even today it remains provocative in its fearless probing of the boundaries of consent and submission

Gordon Edith Templeton,2012-08 The original Fifty Shades of Grey Edith Templeton s novel Gordon has been banned pirated and published under various names for almost fifty years Post war London Louisa a smartly dressed young woman in the midst of a divorce meets a charismatic man in a pub and within an hour has been sexually conquered by him on a garden bench Thus begins her baffling but magnetic love affair with Richard Gordon Gordon a psychiatrist keeps Louisa in his thrall with his almost omniscient ability to see through her and she is equally gripped by the unexpected pleasure of complete submission Subjecting herself to repeated humiliations at his hands but quite unable and unwilling to free herself from his control Louisa and Gordon sink further and further into the depths both psychologically and sexually An extraordinary novel of psycho sexual entanglement that was banned for indecency in England in 1966 in Gordon Edith Templeton captures one of the most unusual and disturbing love stories ever written Templeton s characters are not passive or self doubting Their pleasure in sexual submission is a mark of their toughness they can take what their men give them The New York Times Sexual perversion masochistic dependency obsession and suicide Telegraph An unsettling tale of sexual obsession The New Yorker It is unlikely that any young woman will write a book as good as honest as provocative as Gordon Telegraph Superbly written and unsettling Beryl Bainbridge Edith Templeton was born in Prague in 1916 and spent much of her childhood in a castle in the Bohemian countryside Her short stories began to appear in The New Yorker in the 1950s and caused a major stir because of their sexual explicitness these stories are available in one volume entitled The Darts of Cupid as a Penguin ebook Gordon first appeared in 1966 under the pseudonym Louise Walbrook and was subsequently banned in England and Germany it was then pirated around the world appearing under various titles In 2001 Edith Templeton agreed to publish the novel with its original title under her own name She died in 2006 **Re: Quin** Robert Buckeye,2013-09-05 The influential daring and lacerating novels of Ann Quin were very much products of their time but Quin herself had more than a little influence upon shaping the era in which she lived Her works bracket the 60s and embrace their drive to experiment and break through to another form of consciousness and so another means of telling stories as J G Ballard and B S Johnson were

doing and as later in many ways following directly in Quin's footsteps Kathy Acker would as well. In reading Quin we are taught to question the very enterprise of fiction itself to read Quin one must be prepared to lose one's way. Re Quin is an unabashedly personal and partisan critical biography of one of the greatest and yet most neglected fiction writers of the so-called experimental wave of British novelists of the 1960s. *The Darts of Cupid* Edith Templeton, 2012-08-30 The highly acclaimed short story collection by the author of *Gordon* the erotic novel banned for indecency in 1966. In *The Darts of Cupid* Edith Templeton gives a sweeping and intimate exposé of her century and the lives of the women who lived in it. The unforgettable title story was celebrated upon its original publication in *The New Yorker* for its explicit portrayal of the relationship between a young British woman and her American superior in a provincial war office during World War II a love affair that lasted only two nights but changed the narrator's life forever and is still haunting today. Other stories take us from the tumbledown glamour of a Bohemian castle between the wars to an apartment on the coast of Italy in the 1990s where a rich widow's decision to sell her husband's prized silver becomes a bewitching tale of longing. Whatever the period Templeton addresses the truth about female passion with a forthright gaze that is rare for any age. Templeton's stories make the flesh tingle. Observer Templeton's characters are not passive or self-doubting. Their pleasure in sexual submission is a mark of their toughness they can take what their men give them. *The New York Times* Dark compelling and invigoratingly unsettling. *Sunday Times* Edith Templeton was born in Prague in 1916 and spent much of her childhood in a castle in the Bohemian countryside. Her short stories began to appear in *The New Yorker* in the 1950s and caused a major stir because of their sexual explicitness these stories are available in one volume entitled *The Darts of Cupid* as a Penguin ebook. *Gordon* first appeared in 1966 under the pseudonym Louise Walbrook and was subsequently banned in England and Germany it was then pirated around the world appearing under various titles. In 2001 Edith Templeton agreed to publish the novel with its original title under her own name. She died in 2006. *New Statesman*, 2003 **The Rough Guide to London** Rob Humphreys, Samantha Cook, 2014-02-03 Following the hugely successful 2012 Olympic games London is more popular than ever and with *The Rough Guide to London* you can discover why.
