Hillary The Photographs Of Diana Walker:

Hillary Diana Walker, 2014-10-21 A collection of photographs by a Time magazine photographer chronicles the political career of Hillary Rodham Clinton from her time as first lady to her tenures as senator secretary of state and presidential candidate

Ultimate Insiders Kenneth T. Walsh, 2017-10-05 Virtually unknown to the public or historians White House photographers have developed amazing access to the presidents of the United States over the past half century In this book long time White House correspondent Kenneth T Walsh tells their stories emphasizing observations about the presidents the photographers got to know so well along with other key figures close to those presidents including the first ladies members of Congress and important world leaders This book shows how official White House photographers have morphed into ultimate insiders within the American presidency allowed to observe and take pictures of nearly everything Chief Executives do related to their job The photogs have often become close friends with the presidents they have served Using these bonds of trust and their own powers of observation they created fundamental impressions and public images of the presidents through the art of photography Acting not only as image makers but as visual historians they have built pictorial chronicles of the presidency intimate narratives of America s leaders in public and private showing how they dealt with everyday life as well as moments of great crisis and opportunity From children playing in the Oval Office to decisions to send troops into harm s way images created by White House photographers can make or break a presidential administration as well as define an era

Hillary Rodham Clinton Michael Burgan, 2008 Presents the life of the former first lady who has become a political figure in her own right as a United States senator and presidential candidate Hillary Rodham Clinton (EasyRead Super Large 18pt Edition) , Character Matters Jean Becker, 2024-04-16 From a New York Times bestselling author and George H W Bush s former Chief of Staff pivotal life lessons from a leader that left a mark on people s hearts and souls Character Matters is a reminder of the importance of character when defining true leadership Colleagues friends and family will share their personal stories of what they learned from watching and listening to President Bush including former United States Secretary of State Condoleezza Rice Secretary of State James A Baker stand up comedian Dana Carvey Queen of Country star Reba McEntire American columnist for The New York Times Maureen Dowd American novelist Brad Meltzer presidential biographer Jon Meacham former Prime Minister of the United Kingdom John Major former Prime Minister of Canada Brian Mulroney Secretary of Defense Robert Gates the Oak Ridge Boys and best selling author Christopher Buckley and of course his grandchildren Character Matters will illustrate how George Bush never stopped showing us the way to lead by example

Hillary Rodham Clinton (EasyRead Super Large 20pt Edition) , **Bill and Hillary Clinton** Jeff Mapua, 2014-07-15 Few political figures are as polarizing as Bill and Hillary Clinton This power couple has generated fiercely mixed reactions since their first appearance on the political stage A new Clinton era may be dawning as Hillary again tests the waters for a presidential bid Uncovering all the layers of myth rumor spin and talk radio takedowns this examination is clear eyed and

calm objectively reviewing the origins rise near fall and reemergence of the world's most influential couple It is a fascinating tale of hard work ambition idealism and calculation political might and human weakness and ultimately the enduring strength of family

Hillary Rodham Clinton Jeri Freedman, 2007-08-15 The story of Hillary Rodham Clinton in many ways parallels the story of the United States in the latter half of the 20th century and beginning of the 21st century As part of the baby boom generation she came of age at the time of the civil rights movement the Vietnam war and Watergate This biography explores the path that led Hillary from her conservative Republican middle class beginnings to her emergence as a leader of the Democratic party As a woman she has experienced opportunities and positions that would have been unimaginable to previous generations of women Hillary Rodham Clinton could be the first female president of the United States making this timely biography essential reading

HRC Jonathan Allen, Amie

Parnes,2014-02-11 The mesmerizing story of Hillary Clinton's political rebirth based on eyewitness accounts from deep inside her inner circle. Hillary Clinton's surprising defeat in the 2008 Democratic primary brought her to the nadir of her political career, vanquished by a much younger opponent whose message of change and cutting-edge tech team ran circles around her stodgy campaign. And yet six years later she has reemerged as an even more powerful and influential figure, a formidable stateswoman and the presumed front runner for the 2016 Democratic presidential nomination, marking one of the great political comebacks in history. The story of Hillary's phoenixlike rise is at the heart of HRC, a riveting political biography that journeys into the heart of Hillaryland to discover a brilliant strategist at work. Masterfully unfolded by Politico's Jonathan Allen and The Hill's Amie Parnes from more than two hundred top access interviews with Hillary's intimates, colleagues, supporters, and enemies, HRC portrays a seasoned operator who negotiates political and diplomatic worlds with equal savvy. Loathed by the Obama team in the wake of the primary, Hillary worked to become the president's greatest ally; their fates intertwined in the work of reestablishing America on the world stage. HRC puts readers in the room with Hillary during the most intense and pivotal moments of this era as she mulls the president-elect's offer to join the administration, pulls the strings to build a coalition for his war against Libya, and scrambles to deal with the fallout from the terrible events in Benghazi, all while keeping one eye focused on 2016. HRC offers a rare look inside the merciless Clinton political machine as Bill Clinton handled the messy business of avenging Hillary's primary loss while she tried to remain above the partisan fray. Exploring her friendships and alliances with Robert Gates, David Petraeus, Leon Panetta, Joe Biden, and the president himself, Allen and Parnes show how Hillary fundamentally transformed the State Department through the force of her celebrity and her unparalleled knowledge of how power works in Washington. Filled with deep reporting and immersive storytelling, this remarkable portrait of the most important female politician in American history is an essential inside look at the woman who may be our next president.
