His To Lose Cannon Cousins Book 2:

A Leg up on the Canon, Book 2 Jim McGahern, 2012-09-14 Shakespeare had extraordinary intelligence unheard of powers of observation and interpretation a soaring imagination a way with words that defies description and a defining interest in the theater He brought kings queens heroes and peasantry to the stage so they could be seen in a more realistic fashion Even so in modern times assistance is often needed to interpret Shakespeares work In *A Leg Up on the Canon* author Jim McGahern provides an extensive biography of Shakespeare and offers an introductory guide to his histories comedies tragedies romances and poems McGahern presents summaries of the texts explanations of difficult passages extensive historical context and glossaries of terms no longer in use In each volume he outlines the plot of plays in that category and then delivers a one act play with inclusive commentary McGahern includes pertinent remarks and important speeches and soliloquies interlaced with brief explanations and descriptions of the actions on stage as well as plot developments *A Leg Up on the Canon* a four volume series provides insights into the word music of the talented man from Stratford **The**

Formation of the Biblical Canon: Volume 1 Lee Martin McDonald, 2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In this first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them The second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole

The Johannine books, ed. by canon Benham John (st.), 1902 *The Fatal Land* Matthew P. Dziennik, 2015-06-28 More than 12 000 soldiers from the Highlands of Scotland were recruited to serve in Great Britain s colonies in the Americas in the middle to the late decades of the eighteenth century In this compelling history Matthew P Dziennik corrects the mythologized image of the Highland soldier as a noble savage a primitive if courageous relic of clanship revealing instead how the Gaels used their military service to further their own interests and in doing so transformed the most maligned region of the British Isles into an important center of the British Empire *The Horn Book Guide to Children's and Young Adult Books*, 1990 **Death, Loss, and Grief in Literature for Youth** Alice

Crosetto,Rajinder Garcha,2012-11-21 All human beings encounter loss and death as well as the grief associated with these experiences It is therefore important for children and adolescents to understand that such events are inevitable and to learn how to accept loss and cope with their emotions In order to help children through their pain parents and caregivers need access to the proper resources that will help them discuss these topics and educational professionals need reliable resources for creating courses of study on these subjects In *Death Loss and Grief in Literature for Youth* Alice Crosetto and Rajinder Garcha identify hundreds of resources that will help educators professionals parents siblings guardians and students learn about coping with the loss of a loved one and the grief process These resources include books Internet sites and media titles aimed at students and those helping them through the grieving process Chapters in this volume include fiction and non fiction titles about the loss of a family member a friend and a pet as well as general reference resources curricular resources and websites Annotations provide complete bibliographical descriptions of the entries and each entry is identified with the grade levels for which it is best suited Reviews from recognized publications are also included wherever possible Anyone interested in locating helpful resources regarding death and grieving will find much of value in this essential tool
