### **Hit The Road Storms Of Desire Book 3:**

Honor's Refuge (Love and Honor Book #3) Hallee Bridgeman, 2022-11-01 When she was just five years old Melissa Braxton watched her father take her mother's life. Separated from her sister Lola at that time, Melissa grew up with a strong desire to help those stuck in abusive relationships. It's why she became a therapist and opened a domestic abuse shelter. After losing a leg to a gunshot wound in the line of duty, Phil Osbourne has felt like a man without a purpose until he hears Melissa's story and decides to use his Special Forces contacts to track down her missing sister. He knows what he discovers will break Melissa's heart. What he doesn't realize is that helping the women reunite will bring the cartel down on them like the category 5 hurricane striking Miami. Bruised yet not quite broken, Melissa and Phil battle the storm and the cartel, calling on strength they didn't know they had to escape death, save the innocent, and just maybe find healing in each other's arms.

NATIONAL BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK LONGLISTED FOR THE CENTER FOR FICTION 2024 FIRST NOVEL PRIZE In this espionage-laden family epic, Vanity Fair's ordinary housewife becomes an unlikely spy, and her dark secrets will test even the most unbreakable ties. Malaya 1945: Cecily Alcantara's family is in terrible danger; her fifteen-year-old son Abel has disappeared, and her youngest daughter Jasmin is confined in a basement to prevent being pressed into service at the comfort stations. Her eldest daughter, Jujube, who works at a tea house frequented by drunk Japanese soldiers, becomes angrier by the day. Cecily knows two things: that this is all her fault and that her family must never learn the truth. A decade prior, Cecily had been desperate to be more than a housewife—to a low-level bureaucrat in British colonized Malaya. A chance meeting with the charismatic General Fujiwara lured her into a life of espionage, pursuing dreams of an Asia for Asians. Ten years later, as the war reaches its apex, her actions have caught up with her. Now her family is on the brink of destruction, and she will do anything to save them. Told from the perspectives of four unforgettable characters, *The Storm We Made* spans years of pain, triumph, and perseverance. The tenderness in its details, the ordinary ways that these characters love and laugh in the face of the extraordinary—Chan shows us with clarity and care how the truest mirror comes from the intimacy of human connection. *The New York Times Book Review*     **A Dictionary of Confusable Phrases** Yuri Dolgoplov, 2016-02-01 Covering over 10,000 idioms and collocations characterized by similarity in their wording or metaphorical idea, which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary, providing definitions to individual idioms, clichés, and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.     **Microtimes**, 1995-11     **Motor Age**
