Rules Manual Official Update Version 1.1

Although we strive to ensure that our books are perfect, sometimes mistakes do creep in. When such issues arise we feel that it is important to deal with them as promptly as we can, and we therefore produce regular updates for all of our books. When changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **Magenta**. Where a version number has a letter, E.g. 1.1a, this means it has had a local update, only in the language, to clarify a translation issue or other minor correction.

This update is split into two sections: Errata and 'Frequently Asked Questions'. The Errata corrects any mistakes in the book. The Frequently Asked Questions (or 'FAQ') section answers commonly asked questions about the rules. These questions have been gathered from many sources. We are always happy to consider more questions, so please send any queries to:

gamefaqs@gwpic.com

Although you can mark corrections directly in your book, this is by no means necessary – just keep a copy of the update with your book.
