Evangelist Marketing Alex L. Goldfayn, 2012-01-03 In *Evangelist Marketing* Alex Goldfayn argues that technology companies succeed in spite of their marketing not because of it He says that if consumer tech makers ceased all marketing activity today they would not see a significant decline in sales In this book Alex presents why the current state of overly technical features oriented tech marketing branding communications and public relations is costing the industry billions of dollars easy money that s voluntarily being left on the table Then he lays out a step by step system for creating intensely loyal brand evangelists based on deep consumer insights and simple emotional language *Evangelist Marketing* is written for consumer tech companies big and small from PC manufacturers to Web based services It s also sure to improve the work of their marketing and public relations agencies

Concepts of Intelligence Thomas J Hally, 2012-08 Currently the Vice President of the International Society for Philosophical Enquiry ISPE as well as featured writer for the *Mensa International Journal* Hally takes an active interest in human intelligence in all its forms and applications Hally explores the science behind both human and artificial intelligence even touching on animal intelligence to appease the animal lovers among us By blending factual analyses with humor and plenty of background information to keep readers on the right page Hally manages to render a potentially dry dense subject more accessible In fact some of the most endearing qualities of this book are its frankness and careful accessibility Each essay is prefaced with a helpful yet non condescending introduction It s an excellent gateway book for a novice who d like an overview of general concepts of intelligence Those who are well versed in the area of intelligence study are likely to enjoy this book for the perspectives it offers As such I d recommend this book to anyone having an interest in the topic of intelligence regardless of the level of refinement of that interest Definite thumbs up
