

Children's Book: Autobiography

Hi. My name is Josh and I am one of the authors of this book. I live in New York, near Manhattan with my mother and my sister. I am in secondary 2 and I go to Sherman High school. My favourite things to do (hobbies) is hanging out with my friends, playing basketball after school and going to the mall.

When I grow up, I would like to be an airplane pilot for the United States Army. I love airplanes and I think it would be the best job for me.

My favourite kids book when I was small was "Aladdin, prince of thieves". I really had a good time doing this book with Amanda. She was the writer of the story and I was the artist of the drawings.

Hello everybody!

My name is Amanda, and I am also one of the authors of this kid's book. I live in New York and I am 14 years old (fourteen).

I love kids and I have one younger sister, so for me this project was lots of fun. When I grow up, I want to become an elementary teacher.

My hobbies are talking on the phone, going shopping and playing in the volleyball team at school. When I was a little girl, I really liked the story of "Cinderella".

I really hope you love this book! I'd also like to thank Josh for the good work. Bye.

INSTRUCTIONS:

Now that you have finished creating your children's book, you and your partner need to write a little something about yourselves, behind your book. Follow the examples above and answer these wh-questions:

- What is your name?
- Where do you live?
- How old are you?
- What did you think about this project?
- What do you want to do when you grow up?
- What are your hobbies?
- What was your favorite children's book?
- Who would you like to thank for your book/inspiration (parents, friend, teacher)?
