

Travel Writing

(Top Tips)

A travel writer travels all over the world and writes about what they see. This writing then either goes into a book or is sent to a magazine. Below are some top tips that you should use when travel writing.

1. Read plenty of travel stories in magazines and newspapers, and talk about what you like about them, and what you dislike.
2. Focus on what's interesting and different about the place. Find details that are significant in some way, (they might be unusual, colourful or humorous). Just look for something that makes the place special.
3. You must learn to record the sights, sounds and smells of a country. Your reader wants to feel like they are travelling alongside you. Have you ever tried to describe the sound of the wind on a mountain top or to write about the wonderful smells from an Italian kitchen?
4. Finally, do your research! Make sure that you know everything about your topic before you start writing. Make as many notes as you can.
