Jeff Bezos Helena Hunt,2018-12-11 Over five hundred quotations from the man Warren Buffett called the most remarkable businessperson of our age Jeff Bezos started

Amazon in 1994 as an online bookstore based out of his garage. Since then the ever expanding enterprise has revolutionized shopping and in many important ways invented e-commerce as we know it. Today Bezos's vast empire includes everything from cloud computing and fresh food delivery to movie production and consumer electronics. In recent years Bezos also has invested in rocket technology, newspaper publishing and artificial intelligence. Every arm of his business however is guided by a fundamental goal to give customers what they want before they even think to ask for it. Jeff Bezos In His Own Words offers a unique look into the mind of one of history's most successful entrepreneurs by collecting more than five hundred of Bezos's quotes on business, technology, customer service, e-commerce, innovation, entrepreneurship and more. Meticulously curated from interviews, speeches, shareholder letters and other sources, this book creates a comprehensive picture of Jeff Bezos, his obsessions and what makes his ventures thrive. After all these years, Bezos still operates on what he calls Day One time in order to maintain the early experimental spirit of his business. Jeff Bezos In His Own Words reveals in detail a man who wants to push the future forward and will inspire readers to do the same.
