James Ryle [www.truthworks.org](http://www.truthworks.org) **Surprisingly Supernatural** Neil Gilligan, 2012-10 Surprisingly Supernatural A Practical Guide to Releasing the Gifts of the Spirit teaches believers to receive the gifts of the Spirit and then how to release the spiritual gifts of prophecy healings and miracles discernment and binding or driving out demons Then the believers are encouraged to bring in the harvest When believers learn how to release the gifts of the Spirit that is what the Bride of Christ is to do at the end of the age and then she will enter into the wedding banquet see Matt 24 14 25 9 10 You Will Learn That you are supposed to ask for the Holy Spirit and ask for the gifts of the Spirit and being continually filled by the Spirit was what the first disciples experienced and they were the first ones called Christians That if you will learn the conditions required for you to hear God s voice then you will be able to prophecy That if you will learn the keys to healing then you will begin to see the sick healed when you lay your hands on them That when you ask for the gift of discernment then you will begin to discern demons and the defilement that is around you Then you can cast out those demons That leylines are spiritual highways that demons travel on over the earth and you will learn how to clean them off That when you release the gifts of the Spirit you will easily be able to show nonbelievers that Jesus Christ is the Son of God and is the Savior of the World That the Bride of Christ is to be continually filled by the Spirit until she is clothed in the armor of light and clothed in Jesus Christ then she will bring glory to the Lord see Rom 13 12 14

**Our Father's House** Leonie Smith, 2019-10-25 Most people visit a church for the first time either by invitation or reputation Many books have been written on the subject of personal evangelism and the importance of being a bringer This book however explores the power of reputation specifically God s reputation as upheld and reflected in a church s culture Based on the story of the Queen of Sheba s visit to King Solomon and how her initial encounter with his kingdom left her breathless and astounded this book explores the profound effect a church s culture can have on the heart of a seeker as they pursue rumours of King Jesus and His Kingdom It warns that Kingdom culture doesn t happen by chance but only as every member of the King s household lays down their own comfortable and

familiar culture to surrender instead to the common culture of Heaven This book has been written to inspire every Christian to vigilantly uphold Heaven s culture when living loving and serving in the Fathers House their local church It implores us all not to waste another minute in engaging our God given gifts and talents to create Heaven on Earth so that the Kingdom of God might be revealed in all of its glory to a world that is in desperate need of its wisdom power and atmosphere Only then having tasted Heaven will lost people truly desire to seek out this Kingdom s magnificent King **The Art of Strategic**

**Conversation** Terrell Monger,2014-09-11 Those who have influence have power Unfortunately the majority of the world s influence comes from forces of negative connotations In this thought provoking book we will address some of the things that have made the influence of the modern church weaken We will also discuss innovative means in which we can take it back Sometimes between cultures we lose communication In order to bridge the gap we must be willing to understand that it takes different methods to reach different people and our cookie cutter is not working Terrell Monger Where is the freedom that we speak about so much in the church It is a shame that before someone can freely discuss salvation we must first claim a denomination We might as well be a gang and ask What set do you claim Didn t Christ die for us all Then why are we so separated a 16 year old man at church **The Last Trumpet** David Reed,2024-10-01 I thank God for blessing me with the

attributes to author a book as an attempt to awaken a world that has fallen asleep ignoring the warnings of God Many have become complacent and consumed by day to day activities This is the plan of the enemy to keep us distracted and overwhelmed with personal interests to divert us from the truth It is my personal objective to sound a trumpet of warning to reach as many as possible to effectively pause and consider an alternative from the way the world keeps them lost and blind My overall purpose is to lead those who thirst to a well of living water I pray that many will be captivated by words of this book as a way of hearing from God Thank you God for this opportunity **KINGDOM ARMOR: The Believer's Identity ,**

**Taking Authority over the Flesh** Everlyn Clay Bryant,2013-08 Have you ever thought about how much time we waste doing the same thing over and over again Have you ever thought about how year after year you re spinning you wheels trying to overcome that one thing that has had you bound for 20 years If you ve had a red flag to go up you recognize that you need to quit but not understanding how to quite you just stop for a season and soon as that temptation raises its ugly head you fall back into the arms of that thing and the cycle starts all over again Are you addicted to something and your heart desire is to quite The answer to all that you need is in your loving and trusting a God that you ve never seen Nothing worth having is ever free but at least you did not have to give your life or the life of your son for the freedom that you re seeking God has taken care of that for you and me The good news of the gospel of Jesus Christ is just what you need We don t have to wander in the wilderness any longer we can go in and possess the Land that s flowing with plenty in this case it s our mind Yes that is exactly what I said we need to possess the promised land of our mind We have to declare like Joshua declared we are able to go up and take the country and possess the land from Jordan to the sea though the giants may be there our way to hinder

God has given us the victory Amen Man struggle day after day seeking to find a way to escape from the conditions of their lives not understanding that God from the foundation of the world have already designed a plan for those who will receive His protection and provision for their lives He tells us that whosoever will let them come that encompasses a multitude Jesus is the Good Shepherd in the natural the shepherd looks out for the well fair of the sheep Much more will the Father of the Shepherd look out for those who trust in Him We live in a world where Adam gave his authority to Satan and now Satan is the god of this world Even so we have been given authority by God to put our flesh under subjection to our spirit But if your mind is constantly on evil things it is impossible for your spirit to be in control of your body therefore we have to renew our mind with the word of God In so doing we give our spirit man authority over our flesh and that comes from each individual taking authority over their mind Our mind is like an oven if you don t take the time to turn it on nothing is going to get done I beseech you brothers and sisters by the mercies of God that YOU present your body a living sacrifice holy and acceptable to God which is YOUR reasonable You owe Him service For many years in my life I felt alone even though I came from a family of eleven siblings When I had time and was not working in the fields I would spend hours alone writing stories and poems Later in life when I went off to college there was always someone playing cards in the student union and I got pulled into participating so that I would not appear anti social but that wasn t my cup of tea either I later married a man from Chicago that was on a tour of duty in Germany so in my last year of college I got married and a couple of days later my then husband was off to Germany and I had to wait for paper work to be completed before I joined him Weeks later I was off to Germany traveling alone to a country I had only seen on TV I was all of 20 and on my way to another country alone to be reunited to a man I had only really known one month While in Germany I would have these dreams of scary things holding me down and I was unable to get up although I was awake On one occasion I was able to call home and I explained the incident to my Father and his reply those are demon spirit riding your back coming to oppress you He said what you need to do is when that happens again call on the name of Jesus and keep calling until they let you lose I m like thanks dad I m over here hundreds of miles from home and you tell me this
