Le Rire Du Sage:

The Gospel of Judas in Context Madeleine Scopello, 2008-08-31 The papers gathered in this book were presented at the First International Conference held in Paris University of Sorbonne October 27th 28th 2006 devoted to the newly discovered Gospel of Judas preserved in the 4th century Coptic Codex Tchacos These essays explore several crucial literary historical and doctrinal issues related to this gospel composed in the second half of the 2nd century This unexpected discovery sheds a new light on the role attributed to Judas by some Gnostic Christian movements A hotly debated question is precisely the significance of Judas in this gospel hero or villain Special attention is given to the sources Greek Jewish Christian and even Iranian used by the unknown author This book will be of special interest for historians of late Antiquity religions and scholars in New Testament studies Gnosticism and Coptic literature

Le rire du sage Han Ryner, 2014 Flowers of Evil and Other Works Charles Baudelaire, 2013-03-13 Handsome edition includes great French poet's controversial work *Les Fleurs du Mal* plus prose poems from *Spleen of Paris* critical essays on art music and literature and personal letters

Aesthetics of Fraudulence in Nineteenth-Century France Scott Carpenter, 2016-03-16 In his engagingly written and original book Scott Carpenter analyzes multiple manifestations of the false in nineteenth century France Under Carpenter's thorough and systematic analysis fraudulence emerges as a cultural preoccupation in nineteenth century literature and society whether it be in the form of literary mystifications the thematic portrayal of frauds or the privileging of falseness as an aesthetic principle Focusing particularly on the aesthetics of fraudulence in works by M rime Balzac Baudelaire Vidocq Sand and others Carpenter places these literary representations within the context of other cultural phenomena such as caricature political history and ceremonial events As he highlights the special relationship between literary fiction and fraudulence Carpenter argues that falseness arises as an aesthetic preoccupation in post revolutionary France where it introduces a blurring of limits between hitherto discrete categories This transgression of boundaries challenges notions of authenticity and sincerity categories that Romantic aesthetics championed at the beginning of the nineteenth century in France Carpenter's study makes an important contribution to the cultural significance of mystification in nineteenth century France and furthers our understanding of French literature and cultural history

The Violence of Modernity Debarati Sanyal, 2020-03-03 The Violence of Modernity turns to Charles Baudelaire one of the most canonical figures of literary modernism in order to reclaim an aesthetic legacy for ethical inquiry and historical critique Works of modern literature are commonly theorized as symptomatic responses to the trauma of history In a climate that tends to privilege crisis over critique Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential Examining Baudelaire's poems afresh she shifts the focus of critical attention toward an account of modernism as an active engagement with violence specifically the violence of history in nineteenth century France Sanyal analyzes a literary current that uses the traditional hallmarks of modernism irony intertextuality self reflexivity and formalism to challenge the historical

violence of modernity Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history and thereby to challenge the melancholy tenor of our contemporary wound culture In a series of provocative readings Sanyal presents Baudelaire s poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity counterviolence and critique The book develops a new account of Baudelaire s significance as a modernist by dislodging him both from his traditional status as a practitioner of art for art s sake and from his more recent incarnation as the poet of trauma Following her extended analysis of Baudelaire s poetry Sanyal in later chapters considers a number of authors influenced by his strategies including Rachilde Virginie Despentes Albert Camus and Jean Paul Sartre to examine the relevance of their interventions for our current climate of trauma and terror The result is a study that underscores how Baudelaire s legacy continues to energize literary engagements with the violence of modernity
