painstakingly investigated and researched The result is a hugely fascinating and highly readable narrative containing very real and unique observations by British and Commonwealth aircrew and equally importantly the long suffering citizens of Berlin and well as the capital s defenders Up to the end of March 1945 there had been a total of 314 air raids on Berlin eighty five of these in the last twelve months Estimates of the total number of dead in Berlin from air raids range from 20 000 to 50 000 the relatively low casualty figure in Berlin is partly the result of the city s formidable air defenses and shelters The Battle of Berlin was not a defeat in absolute terms but in the operational sense it was an offensive that Air Marshal Sir Arthur Harris and his aircrews could not win Berlin won concluded Sir Ralph Cochrane the Air Officer Commanding 5 Group RAF Bomber Command It was just too tough a nut     **Air Pictorial** ,1990     **The Wall Street Journal** ,1998     **The Complete Small Truck Cost Guide** ,1998     **ABA Journal** ,1997-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
