

The Incredible Laser Summary

In 1962, the article The Incredible Laser predicts the development of a laser canon and stated that all lasers are dangerous. This is one of many misconception the public has made of the ideal purpose of the laser. Most misconception the public has makes on laser is that all lasers, masers, and particle beam weapons are dangerous. He describes the Ray Gun Myth as purely the stuff of fiction meaning this is the concept of a beam weapon being small enough to be used as a hand held weapon is not possible as of right now. The technology is not advanced enough for it to be possible for now. If a so called hand held weapons does becoming possible, the power in hand held weapons will be only able to kill insects, not human. A power source big
