Ludo Ou Limagination Au Pouvoir

Pierre Bayle

Ludo Ou Limagination Au Pouvoir:

L'individu et la communauté humaine Jacques Guigou, Jacques Wajnsztein, 1998 *Absence, enquête et quête dans le roman francophone* Alice Delphine Tang, Patricia Bissa Enama, 2010 Cet ouvrage explore les zones opaques de la critique romanesque et ses voiles identitaires et imaginaires Il aide mieux à créer la production de sens dans le roman par le biais des modèles issus de la linguistique de la pragmatique de la sociologie de la poétique et de la narratologie qui ouvrent plusieurs perspectives sur l'aspect mystérieux du récit romanesque dont l'œil narratif accompagne le silence des personnages et engage le lecteur dans une vaste entreprise d'élucidation Il exploite les ressorts stylistiques et esthétiques d'un type de narration fondé sur le manque et l'inadaptation pistes suffisent-elles encore pour faire avancer la recherche sur les frontières entre le roman policier et les autres formes du récit Cette question est au centre des réflexions de ce livre **L'équation**

congolaise Bernard Laba Nzuzi, 2007 Après près d'un demi-siècle de détention et d'exercice du pouvoir au Congo Zaïre Congo indépendant pendant les leaders politiques congolais en sont toujours au même point confondre encore et toujours l'intérêt collectif congolais avec l'intérêt mesquin individuel ou de petits groupes Cependant malgré les vicissitudes inhérentes la convoitise le Congo demeure un pays stratégique au sein du dispositif dit de l'Afrique utile Un portrait sans concession du paysage politique congolais

Histoire des provinces françaises du Nord Janine Desmulliez, Ludo Milis, Henri Platelle, 1988 Depuis trente ans les recherches historiques menées par les Universités ou dans les sociétés savantes tant en France qu'en Belgique ont considérablement renouvelé la connaissance du passé de notre région Nord-Pas-de-Calais Quelques synthèses récentes ont présenté les acquis les plus importants mais elles se limitent au cadre d'une ville ou sont trop brèves pour permettre des études approfondies Les Editions des Beffrois ont donc décidé d'entreprendre et de réaliser une vaste série en six volumes d'environ trois cent pages chacun qui retrace de la Préhistoire nos jours l'Histoire des Provinces Françaises du Nord Ces ouvrages construits sur de solides bases scientifiques comme en attestent la bibliographie et les notes placées la suite de chaque chapitre sont néanmoins écrits pour un large public et évitent le jargon des rudistes Ils sont largement illustrés et comprennent quelques documents significatifs Ecrits par des auteurs qui comptent parmi les meilleurs spécialistes de l'histoire de leur province et de la région ces livres et cette collection constituent une base de référence indispensable pour tous les passionnés d'histoire
