Fundamental Accounting Principles Kermit D. Larson, Suresh Subbarao Kalagnanam, Tilly Jensen, 2005 Larson
Fundamental Accounting Principles represents a current accurate and pedagogically sound text that has been setting the standard in Financial Accounting for over a decade and continues to keep pace with changing needs of today's classroom. The Eleventh Canadian Edition benefits from a superior research and developmental process and sets a new standard in using technology to enhance teaching and learning in and beyond the classroom. The Eleventh Canadian Edition continues to build on the core strengths that have made it a market leader presenting Fundamental Accounting Principles in a clear comprehensive and technically accurate text that has been developed in accordance with evolving market needs. This text boasts a superior supplements and technology package which supports the widest range of teaching and learning whether in a traditional or technology enhanced classroom. Like the text, the supporting resources and technology solutions have been developed in accordance with market needs and set a new standard in the Financial Accounting.

Fundamentals of Financial Accounting Fred Phillips, 2007 What does it mean to have a great coach? When you are first learning financial accounting, having a great coach means having the ongoing support, direction, and motivation necessary to ensure your success. The Canadian edition of Fundamentals of Financial Accounting is like your personal coach. It provides you with the tools that you will need to make sense of business activities and to help you prepare and interpret financial information in an accurate and relevant way. The Canadian companies and examples used in this text bring Financial Accounting to life. What could be more Canadian than Tim Horton's or the National Hockey League? Fundamentals of Financial Accounting provides an accessible and balanced introduction to financial accounting, targeting mid to lower level universities, university colleges, and a select number of colleges who are transitioning from a principles based to a financial based accounting course. In the long term, as a growing number of colleges adopt a financial accounting curriculum, Phillips will be an optimal solution and the most student friendly book in the market due to the coaching focus. Through unparalleled pedagogy and the most engaging writing style on the market, this text will act as a personal coach outside the classroom, working to ensure every student's success.
