But even as a Fillorian king, Quentin finds little peace. His old restlessness returns and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend Julia, Quentin sets off only to somehow wind up back in the real world and not in Fillory as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. *The Magician's Land*: Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose, he returns to where his story began: the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex and far more dire than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts like Antarctica and the Netherlands and old friends he thought were lost forever. *The Magician's Land* is an intricate and fantastical thriller and an epic of love and redemption that brings the *Magicians* trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.
