The Beirut Protocol Joel C. Rosenberg,2021-03-09 From New York Times USA Today and Publishers Weekly bestselling author Joel C Rosenberg A game changing peace treaty between Israel and the Saudis is nearly done The secretary of state is headed to the region to seal the deal And Special Agent Marcus Ryker is leading an advance trip along the Israel Lebanon

border ahead of the secretary's arrival. But when Ryker and his team are ambushed by Hezbollah forces, a nightmare scenario begins to unfold. The last thing the White House can afford is a new war in the Mideast that could derail the treaty and set the region ablaze. U.S. and Israeli forces are mobilizing to find the hostages and get them home, but Ryker knows the clock is ticking. When Hezbollah realizes who they've captured, no amount of ransom will save them; they'll be transferred to Beirut and then to Tehran to be executed on live television. In the fourth installment of Rosenberg's gripping new series, Marcus Ryker finds himself in the most dangerous situation he has ever faced: captured, brutalized, and dragged deep behind enemy lines. Should he wait to be rescued? Or try to escape? How? And what if his colleagues are too wounded to run? This is the CIA's most valuable operative as you have never seen him before.

The Greatest Reunion George William, 2024-03-20 This book is a true Testimony of my NDE Near Death Experience and an Out of Body Experience during a horrific vehicular wreck that I pushed aside and denied at the time in thinking that it was from the blunt trauma to my head from going through a windshield then from the morphine and drugs the Ambulance crew gave to me at the crash site along with my strength and achievement to escape death only to finally recognize that it was God and his Guardian Angel's that saved myself and my College roommate and once I finally fell into a life pursuit of chasing Money driven by Greed and fell into a deep pit of sin that I dug myself I finally discovered the Truth and the only one True God who Saved my life and rewarded me with an incredible Great Awakening and the Greatest Reunion in achieving my Salvation and to follow Christ Jesus for the rest of my life on this earth and into His Kingdom come.

Mindf*ck Christopher Wylie, 2019-10-08 For the first time, the Cambridge Analytica whistleblower tells the inside story of the data mining and psychological manipulation behind the election of Donald Trump and the Brexit referendum, connecting Facebook, WikiLeaks, Russian intelligence, and international hackers. *Mindf*ck* demonstrates how digital influence operations, when they converged with the nasty business of politics, managed to hollow out democracies. The Washington Post *Mindf*ck* goes deep inside Cambridge Analytica's

American operations which were driven by Steve Bannon's vision to remake America and fueled by mysterious billionaire Robert Mercer's money as it weaponized and wielded the massive store of data it had harvested on individuals in excess of 87 million to disunite the United States and set Americans against each other. Bannon had long sensed that deep within America's soul lurked an explosive tension. Cambridge Analytica had the data to prove it and in 2016 Bannon had a presidential campaign to use as his proving ground. Christopher Wylie might have seemed an unlikely figure to be at the center of such an operation. Canadian and liberal in his politics, he was only twenty-four when he got a job with a London firm that worked with the U.K. Ministry of Defense and was charged putatively with helping to build a team of data scientists to create new tools to identify and combat radical extremism online. In short order, those same military tools were turned to political purposes and Cambridge Analytica was born. Wylie's decision to become a whistleblower prompted the largest data crime investigation in history. His story is both exposé and dire warning about a sudden problem born of very new and powerful capabilities. It has not only laid bare the profound vulnerabilities and profound carelessness in the enormous companies that drive the attention economy, it has also exposed the profound vulnerabilities of democracy itself. What happened in 2016 was just a trial run. Ruthless actors are coming for your data and they want to control what you think. *The Red Hand* Peter Temple, 2019-10-01

Take the Slow Road: Scotland Martin Dorey, 2018-05-03 Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer whatever that is. Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a motorhome, of course. In this book, we define the best driving routes around Scotland for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do, and explain why it's special. We meander around the highlands, lowlands, and islands of Scotland on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers: for surfers, wildlife watchers, climbers, and walkers. We include the steepest, the bendiest, those with the most interesting bridges or views or obstacles, ferries, and tidal causeways. And you don't even have to own a camper van or motorhome; we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps, and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through it on a cold day and plan your next outing, you'll be transported, albeit slowly, to pastures, beaches, mountains, and highways that make you want to turn the key and go, go, go. We'll take you to see Scotland the slow way, the way it should be seen. *The Extraordinary Book of Useless Information* Don Voorhees, 2013-09-03 There are more incredibly pointless and delightfully entertaining things to discover in this new entry in the 1 New York Times bestselling series, a must-have for trivia enthusiasts and a perfect white elephant gift.
