

Tip 9: Focus more on what you can do for the company, rather than what they can do for you

At the beginning of the job interview process, someone has to assume the role of the seller, and someone has to be the buyer.

You're the seller at this early stage of the process.

As the interview progresses you will eventually be asked: *Do you have any questions for us?*

It's a bad idea to say, *no, I can't think of anything*. It's also a bad idea to have a grocery list of interview questions a mile long.

Appropriate Job Interview Questions to Ask Your Interviewers
