

Abnormal Psychology

A surrealist painting of a woman's face, rendered in a style reminiscent of Marc Chagall. The face is composed of various overlapping, semi-transparent layers of color, including shades of brown, tan, and red. A hand with long, slender fingers is placed on the woman's forehead, with the fingers slightly spread. The background is a soft, warm blend of orange and yellow tones. The overall mood is contemplative and somewhat melancholic.
