 Feldman, 2014-12-17 Your students are individuals Do your teaching materials treat them that way Feldman's Essentials of
 Understanding Psychology does Using a revolutionary revision process Essentials of Understanding Psychology is a fully
 integrated learning system that brings the Students First goal to a new level With the adaptive learning program
 SmartBook™ every student has a unique experience personalized to their needs The new edition uses HeatMap technology
 to advise the revision Systematic and precise feedback from thousands of students was anonymously collected using
 LearnSmart™ Because virtually every paragraph in the previous edition is tied to several questions students answer in
 LearnSmart the author was able to see where students struggled most the hot spots and in turn refine and update these
 areas to be more clear more concise and more impactful The 11th edition continues with Feldman's accessible pedagogy and
 hallmark research as well as his modules within chapters format that is both manageable for students and allows every
 professor the flexibility to assign and cover what they want **New Horizon in Male-Female Relationships** David Samuel
 Green, 2010-04-09 New Horizon in Male Female Relationships attempts to break new ground in the discourse on gender
 equality love happiness and marriage Author David Samuel Green succeeds admirably and wastes no time in tracing the
 evolution of human relationships But he also puts forward new theories regarding the state of relations between males and
 females across the globe including married couples What Green's new book further accomplishes lies in its no holds barred
 exploration of matters of the heart Specifically the author examines methods we can employ to eliminate problems that tend
 to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking
 and egalitarianism assist remarkably Besides offering solutions for troubled marriages and other relationships the book also
 extols several concepts that go hand in hand with love and happiness At the same time it becomes clear that if we want our
 unions and partnerships to work we have to bring the right attitude to the table After all as we learn the ingredients for a
 successful relationship must include compassion forgiveness and understanding *Handbook for Teaching Introductory*
Psychology Michelle Rae Hebl, Charles L. Brewer, Ludy T. Benjamin, Jr., 2001-08-01 Like its predecessors Volume III of the
 Handbook for Teaching Introductory Psychology provides introductory psychology instructors with teaching ideas and
 activities that can immediately be put into practice in the classroom It contains an organized collection of articles from
 Teaching of Psychology TOP the official journal of the Society for the Teaching of Psychology Division 2 of the American
 Psychological Association Volume III contains 89 articles from TOP that have not been included in other volumes Another
 distinction between this volume and its predecessors is its emphasis on testing and assessment The book is divided into two

sections Section One Issues and Approaches in Teaching Introductory Psychology contains 52 articles on critical issues such as how to approach the course understanding students interests perceptions and motives students existing knowledge of psychology including their misconceptions a comparison of introductory textbooks and tips on how to evaluate them test questions and student factors affecting exam performance an overview of different forms of feedback giving extra credit and how to deal with academic dishonesty Section Two consists of 37 articles that present demonstrations class and laboratory projects and other techniques to enhance teaching and learning in both the introductory as well as advanced courses in the discipline This section is organized so as to parallel the order of topics found in most introductory psychology textbooks Intended for academicians who teach the introductory psychology course and or oversee grad assistants who teach the course all royalties of the book go directly to the Society for the Teaching of Psychology to promote its activities to further improve the teaching of psychology
