Ethiopian Public Procurement Manual:

Procurement and Disbursement Manual for Projects with Community Participation Gita Gopal,1995 Draws on the experience of Bulgaria to study the problems encountered in financing government operations in the transition economies This report describes Bulgaria s experience in addressing external shocks to its economy and large declines in the ratio of tax revenues to GDP The book provides broad coverage of the problems many other governments face in transforming their systems of taxation in the transition to a market economy Chapters discuss taxation and incentives government and households indirect taxation and financing of social expenditures Attention is also drawn to the implementation of a value added tax and to policies on fuel taxes The report facilitates an understanding of the differences between actual and optimal policies as governments seek to establish a framework for resolving their budgetary problems in the transition

Diagnosing Corruption in Ethiopia Janelle Plummer,2012-07-06 This is a study of the nature of corruption in Ethiopia It maps eight key sectors The diagnostics strongly suggest that in Ethiopia corrupt practice in the delivery of basic services is potentially much lower than other low income countries but that there are emerging patterns in sector level corruption

The Design and Implementation of Business Process Reengineering in the Ethiopian Public Sector Tesfaye Debela,Atkilt Hagos,2011 In 1996 the Ethiopian government introduced the Civil Service Reform Program CSRP to disentangle the intricacies of the old bureaucratic system and to build a fair responsible efficient ethical and transparent civil service that accelerates and sustains the economic development of the country However lack of competent personnel prevalence of attitudinal problems and absence of a strong institutional framework constrained the success of the reform To reinvigorate the CSRP the Ethiopian government has been implementing BPR in public organizations since 2004 In this regard there are claims and counter claims on the effectiveness of BPR implementation in improving the performance of public organizations Motivated by such claims this research has assessed the design challenges implementation and outcome of BPR in four public organizations using questionnaires interviews observations and review of secondary sources

FIDIC Contracts in Africa and the Middle East Donald Charrett,2023-09-20 FIDIC contracts are the most widely used contracts for international construction around the world and are used in many different jurisdictions both common law and civil law For any construction project the General Conditions of Contract published by FIDIC need to be supplemented by Particular Conditions that specify the specific requirements of that project FIDIC Contracts in Africa and the Middle East A Practical Guide to Application provides readers with detailed guidance and resources for the preparation of the Particular Conditions that will comply with the requirements of the laws that apply to the site where the work is carried out and for the governing law of the contract for a number of the jurisdictions in which FIDIC contracts are or can be used This book closely follows the format of The International Application of FIDIC Contracts Each jurisdiction features an outline of its construction industry and information on the impact of COVID 19 on both the execution and operation of construction contracts This book is
