A young man and woman are shown in a close embrace, looking at each other. The woman has long, wavy brown hair and is wearing a light blue button-down shirt. The man has short dark hair and a beard, wearing a light purple t-shirt. They are in a dimly lit room with a blue and purple color scheme. The background is slightly blurred, showing what appears to be a staircase or industrial setting.

Summary of Sheila Wray Gregoire's *The Good Girl's Guide to Great Sex* Everest Media, 2022-04-17T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 When you're single you may try to downplay your sexuality because you don't want to get tempted but once you're married embrace it because it is awesome God made sex to be so wonderful that for a few moments it's as if the only people who exist in the world are you and your husband 2 Sex is much more than just a physical act We often degrade it to be less than it was created to be if we only see it in the physical realm 3 The bad girl message is that we need to take control of our own sexual satisfaction We need to be in touch with our own bodies have fun with ourselves and know what we like before we can have any sort of sexual relationship 4 Sex is not about the genitalia It's about relationship When we focus on the physical we neglect the real power sex has to bond us together in multiple ways not only physically but mentally emotionally and spiritually as well

*The Good Girl Revolution* Wendy Shalit, 2011-04-20 Across the country there's a youth led rebellion challenging the status quo In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother's rebels Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today's virulent bad girl mindset truly oppresses young women She reveals how the media one's peers and even parents can undermine girls' quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor *The Good Girl Revolution* rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite The new female role models are not people pleasing or repressed they
