Military Trade Steven Zeeland, 2019-07-18 A same sex attraction for soldiers and sailors spans the globe and predates the term homosexual by several thousand years But these days military chasers are likely to be seen as doubly incorrect Most are gay men who pursue straight men And many of them do it in public What continues to motivate so many men to brave arrest violence and the scorn of gay leaders who condemn any non gay homosexual desire as internalized homophobia In *Military Trade* now updated to include an expanded photo insert Steven Zeeland author of *Sailors and Sexual Identity* *The Masculine Marine* and *Barrack Buddies* and *Soldier Lovers* brings together an edgy enlightening and richly entertaining collection of voices with a passion for servicemen including a TV talk show host who pimped Marines to Hollywood stars a heavy metal superstar who dreams of being reincarnated as a Marine boot a woman trapped in a gay man's body who seduces Marines online then dominates them in person with strap on dildos a former Force Recon Marine who complains of being chased by civilians but is now a Marine chaser himself By turns steamy hilarious appalling and deeply moving *Military Trade* challenges assumptions about both chaser and chased and poses pointed questions about the wisdom of those who seek to divide the world into straight and gay The interviews and essays collected in this book suggest that paradoxically for many men the advances of the gay rights movement have actually made it more difficult to form affectional bonds with other men Gay sex has never been more openly advertised But the military love of comrades is something that gay life can't offer *Military Trade* offers groundbreaking insight into the difference between military chasers and uniform fetishists why gay men prefer sailors and Marines over soldiers and airmen the surprising range of sexual buddy and even love relationships chasers form with servicemen the nuances of trade and civil military male prostitution what has been overlooked in the sex panic debate about men who have sex in public places For anyone interested in queer theory the construction of masculinity or sex between men outside of gay urban culture and for anyone who has ever thrilled at the sight of a man in uniform *Military Trade* is must reading
