Peyton Linzi Basset,2023-09-24 The finale in the Castle Sin saga One Castle Seven Dungeons Seven Masters Oops now there are ten Seven Times the Kink A story that'll make you laugh curse and cry In trust I becomes we a fate sealed as one This story is the culmination of a journey of two people whose trust had been tested and failed You make it so easy for me to hate you Peyton's heart soared the day Stone came to save her It didn't last He made it clear from the start that he didn't want her at Castle Sin He wanted her gone as soon as she recovered But she wasn't the kind of woman who took kindly to being told what to do Besides she had something to fight for and as long as there was a spark of heat in his eyes when he looked at her she wasn't giving up She loved him and come hell or high water she would make him love her again Believe me hating me is the only way you'll survive if you insist on staying Stone Sinclair was a tangled web of contradictions Having his love and trust thrust back in his face had snapped the tenuous thread that allowed another into his heart one he had worked so hard to spin since he'd fallen in love with Peyton Forgiveness wasn't an option not since the dark demon had once again taken residence inside his soul But how did the Dom in him ignore the submissive who challenged him at every opportunity How did he separate the driving need to be the only one to dominate her from his inability to fully trust her again They said the home is where the heart is but in the case of Stone and Peyton it was no more than an elusive dream Would they ever find their way back to each other or would they forever suffer the lonely consequences of pride and duplicity Only time would tell
