Mccray,2024-04-30 Tayvon Williams is a thirteen year old male that s lived a hard life growing up He finds out the truth about something that s been hidden from him his entire life Tayvon decides that his life is worth more than what people gave him credit for and he s out to prove everyone wrong in spite of all the obstacles he has to face Tayvon meets Ms Lena Hardin a thirty six year old cafeteria worker that has a great influence on his life They take a strong interest in each other s lives and realize that they have endured the same kind of hurt and pain growing up There s a reason why God has put these two in each other s lives because they will end up needing each other more than they realized *Stop the Children from Crying a River of Tears* Kathy Garbe,2011-12-20 Fanning wisdom s flame within the heart of the reader This book will shed light on the spirituality of generations past as well as the light that is being called forth for future generations She was not sleeping well Dreams headaches followed the nightmares started Night terrors which were terrifying for the both of us then the loss of weight I took her to a Dr he suggested medication which did not help The nightmares became worse Every night she went to bed she would dream she would wake up screaming terrified every night for several weeks Imagine a child any child going through this I was beside myself not knowing what to do Her headaches were getting worse and her weight loss was worrying me I

did the only thing I knew to do I prayed to God to help us I was scared for my daughter and I did not know how to stop this I also did the second thing I knew to do I took her to the doctor again I told him about her nightmares and he looked at me like I was a crazy person and asked me what I thought those nightmares were going to do to her harm her I said yes they already were I was afraid for my daughter I was afraid the nightmares were going to destroy her He laughed I lost all control I could not help her so I was putting her in someone else's hand who is supposed to help her someone who is supposed to be a healer He was more concerned with her weight loss and headaches and put her in the hospital for further testing I met a mother whose daughter shared the room with my daughter They asked me questions about my daughter about her dreams so I proceeded to tell them the story The daughter kept looking at her mother then asked her if she should tell me only to hear her mother reply no The mother asked me what I thought would happen if my daughter opened the door I did not hesitate I knew if my daughter opened the door to the man in black my daughter would die This broke my heart because I felt so alone with all of this and I had no way to prevent it How could I help my daughter I had prayed and asked God to help me and I knew he was the only one who could help me for this was way out of my league The young women looked at her mother and said mom we have to tell her Finally I yelled tell me what If you have something to tell me that will help my child PLEASE TELL ME I was desperate and somewhere inside I knew my answer was sitting right here before my very eyes Find out how Kathy helped her daughter and many others with her gifts from Spirit Child of Shame Roszalia Ellen,2013-10-16 I was born with a musical gift to become a child prodigy by the age of three but that gift was not allowed proper expression for the first decades of my life I lived as a Child of Shame although no one outside my family was aware of the incest and abuse I endured from my father As a child growing up in a black community I felt uncomfortable with my peers Being tall and skinny cruel boys at school stared and poked fun at me intensifying my feelings of rejection I left the sexual abuse at home only to be subjugated to a different type when I got to school I hated school I never knew what a normal adolescent life was like because at age 13 I was introduced to a hellish lifestyle by my sick minded father who wanted nothing from me but my body mind and soul which he corrupted totally The next three decades of my life involved a series of bad marriages great physical and mental abuse and more than one attempt on my life The only thing that allowed me to survive those awful years was the expression of my musical talent After three husbands and four children I was able to take control of my life and destiny to follow a course of meditation prayer and detoxification I was recently diagnosed with invasive breast cancer and now hope that my belief in a greater power will allow me to survive this as well **Love of a Child Sorrow of a Woman** Anne Musoke,2014-01-13 In this particular book Annes writing leans largely towards explorative ideas and experiences of love Anne is someone who believes deeply in love and often says to friends family and colleagues that when a person finds love and is able to give and share it freely as well as receive it wholly while protecting it and treating it with honour and respect it is then that one has truly found their purpose in life This is because love is the driving force behind all we do as humanity

Anne was fortunate enough to find a true love in her life at a young age and unfortunately that true love also at some point turned into true pain through various incidents within the relationship Anne was left alone to wonder about the high price that one may pay for love Over a period of years Anne began to write and keep her feelings and musings and these all culminate into the collection of poetry in Love of a child Sorrow of a woman After years of working in the mainstream employment field Anne has now taken residence in a quiet peaceful town where she spends her time reading and writing and sharing her life with others in the form of her poetry in the hope that it will bring as much healing joy laughter and introspection to the reader as it did the writer Child of the Prophecy: A Sevenwaters Novel 3 Juliet Marillier,2008-11-01

*Children Playing Before a Statue of Hercules* David Sedaris, 2005-04-04 A must have for the fans of the New York Times bestselling author of *Me Talk Pretty One Day*. David Sedaris is an exceptional reader. Alone in his apartment he reads stories aloud to the point he has them memorized. Sometimes he fantasizes that he wrote them. Sometimes when they're his very favorite stories he'll fantasize about reading them in front of an audience and taking credit for them. The audience in these fantasies always loves him and gives him the respect he deserves. David Sedaris didn't write the stories in *Children Playing Before a Statue of Hercules*. But he did read them. And he liked them enough to hand pick them for this collection of short fiction. Featuring such notable writers as Lorrie Moore, Alice Munro, Joyce Carol Oates, Jean Thompson and Tobias Wolff, *Children Playing Before a Statue of Hercules* includes some of the most influential and talented short story writers contemporary and classic. Perfect for fans who suffer from Sedaris fever. *Children Playing Before a Statue of Hercules* will tide them over and provide relief.
