*Einstein* Denis Brian,1997-08-21 Blends the brilliance of the scientific genius with the compassion playfulness and wit of the private figure A fascinating read with more interesting material about Einstein as a human being than I have ever seen before Robert Jastrow astrophysicist and bestselling author A thoughtful and captivating account of one whom I had the joy of knowing and loving George Wald Nobel Prize Laureate His face is one of the most recognized on the planet His very name is synonymous with genius Yet for all the attention and countless biographies our images of Albert Einstein rarely go beyond the eccentric and larger than life scientist unraveling one cosmic mystery after another In this engaging popular biography Denis Brian draws on a wealth of new information recently opened to the public to bring us a broader more authentic portrait of Einstein than previously available The first full scale Einstein life published in 20 years it is also the first to integrate Einstein s genius with his private and public life to give us a complete impression of the real person We meet an Einstein with a gift for friendship a romantic with a roving eye for women We confront a man whose countless scientific triumphs were tempered by tragic ironies in his personal life We encounter Einstein the humanist who showed compassion for the children of others yet neglected his own sons We learn from his former assistants how they revered Einstein how he worked at his science and of his warm relationships with other physicists Based on information drawn from new access to the Einstein archives as well as exclusive interviews with colleagues and friends *Einstein A Life* reveals an endearing and sensitive man but one slightly detached from even those closest to him as if he inhabited his own world of lofty thoughts and cosmic dreams DENIS BRIAN West Palm Beach Florida is the author of *The True Gen An Intimate Portrait of Hemingway by Those Who Knew Him* and *Genius Talk Conversations with Nobel Scientists and Other Luminaries* **Intelligence**

Osho,2007-04-01 In *Intelligence* The Creative Response to Now one of the twentieth century s greatest spiritual teachers reveals a different approach to thinking about our brainpower In *Intelligence* Osho challenges the common conception that the best way to promote intelligence is to train the intellect Intellect is logical he says intelligence is paradoxical Intellect takes things apart to see how they work intelligence puts things together to see the functioning of the whole Osho posits that when our education systems put too much emphasis on developing intellect an imbalance is created and both the individual and the society suffer It is only through intelligence that we can respond creatively to the challenges of a changing world By exploring the distinction between intellect and intelligence *Intelligence* encourages readers to be more aware of how they approach problems logical emotional and practical and how they solve them Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been

described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world
