I Ll Fly Away :

Some Bright Morning, I'll Fly Away Alice Anderson, 2017-08-29 In the wake of Hurricane Katrina Alice Anderson assesses the damage to her Mississippi home while dealing with her husband's declining mental health After a violent attack she flees with her children and faces an epic battle emotional psychological spiritual and legal for her children's welfare for self preservation and ultimately for redemption Adapted from book jacket [The False Prophet](#) Norma Fowler, 2011-05 There have been many books written on the impending Great Tribulation Days and the short reign of the Beast AntiChrist man and the False Prophet This is another possible interpretation of that day It just may be as simple as this text or as horrifying as this text you decide But however it DOES occur it will not be a good thing to be here on planet earth during this time This book is written to remind us that it IS going to happen no matter what your personal spiritual stance may be For it is written as a warning to the world and as an enlightenment to those who believe The day is coming Possibly sooner than we realize **Into The Oblivion** Piyush Singh, 2016-03-30 Into the Oblivion is an exquisite collection of poems written by Piyush Singh during his illustrious writing career of over 14 years The book not only carries the poems but it also carries the narrative as well reflecting upon the play of emotions and frame of mind the writer was in as he was being lead to express the experiences in forms of these poetic verses The book which can also be referred to as notes from life takes inspirations from day to day life and reflects emotions in true unadulterated form as they create a state of unawareness towards one's own surroundings leading both the writer and the reader to beautiful existence of being one with themselves into the oblivion

The Extended Hand Marti Eicholz, 2018-06-05 The Extended Hand is a contemplative memoir that covers two seemingly separate lives When Robert answers the phone he has trouble understanding his neighbor's question What do you mean there's a notice in today's paper listing our condo for sale Through the kitchen windows he can see the ocean waves rolling in toward the Maui beach Surely there must be a mistake But when he calls his wife Marti on the eastside of Seattle he learns the truth Yes I filed for bankruptcy Once as a child Marti fell through an open manhole into a sewer and was rescued by the extended hand of a caring man Now even though her business mistakes have wiped out the assets of a thirty year marriage Marti Eicholz discovers that her husband is another man capable of extending a hand to someone in need The Extended Hand is the first person story of how I came to that point of having to tell the man I loved that I had lost all our worldly goods without giving him a warning Only in retrospect did I understand why I the daughter of a charismatic fundamentalist preacher with a need to control his family was driven to excel and perform perfectly As an adult I found it hard to love myself when my first marriage ended after ten years I was still a virgin and went into a web based business venture when the Internet was still a novelty unable to acknowledge that I was in an emotional black hole My story is also that of one preacher's daughter who learns to accept the extended hand of the living Jesus cleansed of the rules and exclusions imposed on it by a narrow fundamentalist view of the bible's truths My marriage is alive and thriving today because I have finally learned to

accept the gifts that are yours when someone extends their hand in love and you accept it in humility and gratitude

Butler, 2019-10-30 Pentecostals throughout Jamaica and the Jamaican diaspora use music to declare what they believe and where they stand in relation to religious and cultural outsiders Yet the inclusion of secular music forms like ska reggae and dancehall complicated music's place in social and ritual practice challenging Jamaican Pentecostals to reconcile their religious and cultural identities Melvin Butler journeys into this crossing of boundaries and its impact on Jamaican congregations and the music they make Using the concept of flow Butler's ethnography evokes both the experience of Spirit-influenced performance and the transigrations that fuel the controversial sharing of musical and ritual resources between Jamaica and the United States Highlighting constructions of religious and cultural identity Butler illuminates music's vital place in how the devout regulate spiritual and cultural flow while striving to maintain both the sanctity and fluidity of their evolving tradition Insightful and original Island Gospel tells the many stories of how music and religious experience unite to create a sense of belonging among Jamaican people of faith

Come Sundown Eddie B Saxton, 2016-11-10 *Come Sundown* contains a collection of poems that will take you back in time to the early 1950s and into the turbulent 60s You will find that there are poems that will take you into my world of pragmatic thought the invasion of a dysfunctional or semi dysfunctional mind and my state of reasoning which will seem mind boggling at times It contains memorable times of my youth some fond and some are about my personal struggles and growing up on the south side of Chicago Hopefully this book will leave you in awe of the past and incite you to ponder the future luring you into reconsidering the value of family and friends I try adding a little humor to some of my poems so that all won't seem morbid or come from an irrational mind We all have mountains to climb and rivers to cross there are loves we've gained and so many precious ones we've lost This book gives us a chance to look at life from different perspectives Sometimes we seem to be drowning in a sea of non conforming progression and yet there are anomalies that come into our lives which give us hope We fantasize and we dream After reading *Come Sundown* you would have taken a dazzling trip into the realms of an altered state of being You will find yourself descending deep into your own world of boundless thoughts and misconceptions You will feel the gravitational pull into my mind and the challenges of yours which allows a glimpse into the inner workings of an overactive mind Not only does this book look at things from a dysfunctional point of view it also takes a gentle look at the spiritual part of life
