The First Safety MUHAMMAD The Messenger of Allah Ph.D. Faisal bin Mishaal bin Saud Al-Saud,2021-08-25

Islam and the Drive to Global Justice Louay M. Safi,2023-12-15 Islam and the Drive to Global Justice Principles of Justice Beyond Dominant Ethnic and Religious Communities contributes to the current debate over Islam in a

globalizing world by drawing on the contemporary and historical justice discourse within the Islamic traditions and by examining policies and practices of global powers towards Muslim populations in the Global South. The discussions aim at bringing insights from Islamic authoritative sources and scholarly literature and to enrich the current deliberation on the universality of modern values and the relevance of the Islamic traditions to advancing more inclusive notion of global justice. The book examines in particular several models rooted in the monotheistic traditions crucial for overcoming three interrelated challenges facing the dispensation of justice in contemporary society: inclusivity, disparity and selectivity. The book uses the normative framework it outlines to analyze the connection between European powers and the autocratic regimes in the MENA region. Several chapters in the book illustrate how supporting Arab autocracy contributes to the rise of religious extremism and has already produced failed states in Syria, Lebanon, Iraq and Yemen that undermine both national and global peace and stability.

Selected Proceedings from the 1st International Conference on Contemporary Islamic Studies (ICIS 2021) Nur Nafhatun Md Shariff, Mohd Asmadi Yakob, Zety Sharizat Hamidi, Zeiad Amjad Abdulrazzak Aghwan, Najahudin Lateh, 2022-08-28. This book collates selective outputs from the 1st International Conference on Contemporary Islamic Studies focusing on interdisciplinary research that is relevant and timely. One of the most vital areas for national development in Malaysia and other parts of the Muslim world is the field of Islamic studies. With a selection of regional and international contributions, the volume covers several topics including Zakat, Wakaf, Islamic philanthropy, Islamic Turath, Islamic astronomy, Islamic texts both ancient and modern, Halal, the Muslim family, fiqh and Islamic finance. Cutting across both academia and religious practice, the book seeks to demarcate various aspects within Islamic law and culture in the context of the IR 4.0 era. It is relevant to students and researchers working within the interdisciplinary landscape of Islamic studies from Asia to beyond.

Women's Rights in Islam Asmaa Shehata, 2023-11-20. The issue of Muslim women's rights never seems outdated and has become trendy in the post 9/11 environment. That is, the mainstream media and Western politicians often view Muslim women as victims of male patriarchy and frequently justify Western involvement in the Middle East and in other Muslim majority countries at least in part to rescue women. Within this realm, Nawal El Saadawi is a famous Egyptian writer whose writings focus on the struggle of Muslim women and are widely read in the Middle East and many Western societies as well. Because of her bold feminist views on politics, religions and gender, she is described as the Simone de Beauvoir of the Arab world. After the death of El Saadawi in 2021, a flurry of arguments and criticism in the Egyptian press and women's press around the world is created in which different social media platforms were filled with numerous comments and discussions of her writings and arguments. Whereas some mourned El Saadawi and her dedication to women's issues, others celebrated her death, wishing her the worst punishment in the afterlife for what they described as her destructive thoughts. This monograph genuinely analyzes her views on five controversial issues: marriage, polygamy, divorce, inheritance rights and veiling in light of Qur'anic exegeses offered by two classical scholars, i.e. Muhammad ibn Jarir Al Tabari.

and Ismail ibn Umar Ibn Kathir and two contemporary Muslim feminists i e Amina Wadud and Azizah Al Hibri By taking a critical look at her views the book contributes not only to this ongoing debate but adds value to assessing El Saadawi s work and helps readers gain a greater understanding of her writings as well It also enables readers to comprehend the current tension between feminism and Islam by understanding the perspectives of both sides Since El Saadawi s writings are available in the Western countries the book would appeal to academics researchers on Islam and gender and Middle Eastern women as well as to lay audiences interested in women and gender in Muslim societies

The Islamic Movement in Israel Tilde Rosmer,2022-02-22 Since its establishment in the late 1970s Israel s Islamic Movement has grown from a small religious revivalist organization focused on strengthening the faith of Muslim Palestinian citizens of Israel to a countrywide sociopolitical movement with representation in the Israeli legislature But how did it get here How does it differ from other Islamic movements in the region And why does its membership continue to grow Tilde Rosmer examines these issues in *The Islamic Movement in Israel* as she tells the story of the movement its identity and its activities Using interviews with movement leaders and activists their documents and media reports from Israel and beyond she traces the movement s history from its early days to its 1996 split over the issue of its relationship to the state She then explores how the two factions have functioned since revealing that while leaders of the two branches have pursued different approaches to the state until the outlawing of the Northern Branch in 2015 both remained connected and dedicated to providing needed social education and health services in Israel s Palestinian towns and villages The first book in English on this group *The Islamic Movement in Israel* is a timely study about how an Islamist movement operates within the unique circumstances of the Jewish state

The Oxford Handbook of Islam and Politics John L. Esposito,Emad El-Din Shahin,2016 *The Oxford Handbook of Islam and Politics* with contributions from prominent scholars and specialists provides a comprehensive analysis of what we know and where we are in the study of political Islam
