*The Encuentro Book One* Richard David Kennedy,2014-12-03 The Encuentro isn t just another novel A fairy tale in novel form told as a farce presented like a play and executed like a movie it is indeed novel in every way It is very much as advertised A Risque Fairy Tale For Contemporary Adults very mature adults It is also Kennedy as his innovated best pulling out all the stops and turning the medium on its head to make a gut busting spoof that turns out not to be such a spoof after all So while the subject matter is bawdy the humor outrageous and the wit nonpareil it is to be sure a deeply profound exposition of the nature and meaning of life at the end of the day It is as he has stated probably my best symphony yet and

destined to be an instant classic Where else will you find a novel's author portraying himself in his own book as a movie director The end is simply jarring stunning completely unexpected The Encuentro is a must read Hong Kong on Air Muhammad Cohen, 2010-11-16 As the Hong Kong handover boom fizzles into the Asian economic bust a young American couple's marriage and their careers tumble into a maze of television news betrayal high finance and cheap lingerie
