

# Identifying Theme

A theme is the central message or idea in a literary work. A theme is not the same as a topic. The theme is a statement the author is making about the topic through the literary work. For example:

**Topic:** love

**Theme:** Love conquers all.

**Topic:** hope

**Theme:** Victory is still possible  
as long as there is  
hope.

Writers have four ways to express theme in a story:

- What the characters think and say
- How the characters feel about events in the story
- What the characters learn by the end of the story
- The events of the story and the actions characters take

**DIRECTIONS:** Read the assigned text. Identify the theme. Then provide three citations from the text to support your answer.

**Theme:** \_\_\_\_\_
