

Do Not Love Half Lovers

"Do not love half lovers
Do not entertain half friends
Do not indulge in works of the half talented
Do not live half a life
and do not die a half death
If you choose silence, then be silent
When you speak, do so until you are finished
Do not silence yourself to say something
And do not speak to be silent
If you accept, then express it bluntly
Do not mask it
If you refuse then be clear about it
for an ambiguous refusal is but a weak acceptance
Do not accept half a solution
Do not believe half truths
Do not dream half a dream
Do not fantasize about half hopes
Half a drink will not quench your thirst
Half a meal will not satiate your hunger
Half the way will get you no where
Half an idea will bear you no results
Your other half is not the one you love
It is you in another time yet in the same space
It is you when you are not
Half a life is a life you didn't live,
A word you have not said
A smile you postponed
A love you have not had
A friendship you did not know
To reach and not arrive
Work and not work
Attend only to be absent
What makes you a stranger to them closest to you
and they strangers to you
The half is a mere moment of inability
but you are able for you are not half a being
You are a whole that exists to live a life
not half a life"

If Not For Love:

If Not Love Kay Langdale, 2025-09-23 What defines a marriage What are the ties that bind It cannot only be a question of love If not love then what keeps a marriage or relationship together Is it a matter of knowledge of kindness or simply the familiarity of a long road traveled together If Not Love is a candid exploration of the lives of six women who unknowingly are all connected to one another In this moving debut novel each one must confront and accept an uncomfortable reality and recognize what their relationships teach them about themselves The truths of their marriages are far from an idealization of love instead they carry with them an understanding of what it is to be a wife a mother a lover For Sarah it is not just love but rather a brave commitment to the ties that bind the oath she swore to and honors even in the face of temptation and desire Kate Sarah's best friend understands that she would rather be alone than not loved whereas Isobel Kate's mother reflects in her widowhood on the infidelity she accepted and possibly even encouraged Martha now in a retirement home cherishes her affair with Isobel's husband as the defining moment of her life Martha's nurse Sheila is in an unconventional marriage but one that is shown to be enduring and with its own integrity And finally there is Judith who is the most tormented of all and who must confront old demons before she can face life boldly In a rich evocative narrative Kay Langdale interweaves the complexities of love and marriage with a rare maturity and vision If Not Love is subtle and moving and dark and painful at times But it is ultimately a celebration of the journey each woman makes both within her heart and within her marriage It shows how individuals can make small bold actions that transform their emotional history A well crafted story of individual and mutual empowerment If Not Love displays a breadth of understanding of female honesty in an engrossing and perceptive debut novel International Praise for the Unusually Powerful Debut Novel by Kay Langdale Nominated for the 2007 Romantic Novel of the Year Award UK Affecting first novel celebrates frankly and subtly the checks and balances of marital life The Sunday Times Langdale's approach in crafting is refreshingly compellingly alternative an elegant adept use of language and a singularly insightful evocation of the mature female psyche her circle ezine Langdale's accomplished debut takes some unfashionable themes marriage mother hood loyalty and duty and considers them in a fresh light through the medium of six female characters The sensitivity with which the author describes her characters innermost thoughts is one of the things that makes this book worth reading The Times London A powerful and positive meditation on marriage that resonates long after you have finished the book The Oxford Times
