Interculturalism A View From Quebec:

Interculturalism Gerard Bouchard, 2015-02-05 Accommodating ethnic diversity is a major challenge for all democratic nations and a topic that has attracted a great deal of attention in the last few decades Within Quebec a new approach has emerged that seeks a balance between the needs of minorities and those of the majority In Interculturalism sociologist and historian Gerard Bouchard presents his vision of interculturalism as a model for the management of diversity A pluralist approach which recognizes the existence of a cultural majority whose rights must also be acknowledged interculturalism constitutes an important alternative to multiculturalism both in Canada and internationally Written by one of Quebec's leading public intellectuals and the co chair of the Bouchard Taylor Commission on reasonable accommodation Interculturalism is the first clear and comprehensive statement in English of an approach being discussed around the world A translation of Bouchard's award winning French language work *L'Interculturalisme Un point de vue québécois* this book features a new foreword by philosopher Charles Taylor and an afterword by the author written specifically for the English language edition

Interculturalism Gérard Bouchard, 2015-01-01 Written by one of Quebec's leading public intellectuals and the co chair of the Bouchard Taylor Commission on reasonable accommodation Interculturalism is the first clear and comprehensive statement in English of the intercultural approach to managing diversity

Interculturalism and Performance Now Charlotte McIvor, Jason King, 2018-12-29 This book is the first edited collection to respond to an undeniable resurgence of critical activity around the controversial theoretical term interculturalism in theatre and performance studies Long one of the field's most vigorously debated concepts intercultural performance has typically referred to the hybrid mixture of performance forms from different cultures typically divided along an East West or North South axis and its related practices frequently charged with appropriation exploitation or ill founded universalism New critical approaches since the late 2000s and early 2010s instead reveal a plethora of localized grassroots diasporic and historical approaches to the theory and practice of intercultural performance which make available novel critical and political possibilities for performance practitioners and scholars This collection consolidates and pushes forward reflection on these recent shifts by offering case studies from Asia Africa Australasia Latin America North America and Western Europe which debate the possibilities and limitations of this theoretical turn towards a new interculturalism

Multiculturalism and Interculturalism Nasar Meer, 2016-02-02 Both interculturalism and multiculturalism address the question of how states should forge unity from ethnic cultural and religious diversity But what are the dividing lines between interculturalism and multiculturalism This volume brings together some of the most prominent scholars in the field to address these two different approaches With a Foreword by Charles Taylor and an Afterword by Bhikhu Parekh this collection spans European North American and Latin American debates

Interculturalism in Cities Ricard Zapata-Barrero, 2015-04-30 Cities are increasingly recognized as new players in diversity studies and many of them are showing evidence of an intercultural shift As an

emerging concept and policy interculturalism is becoming the most pragmatic answer to concrete concerns in c *New Framings on Anti-Racism and Resistance* Joanna Newton,Arezou Soltani,2017-09-12 Using a critical anti racism approach contributors to this volume demonstrate and document the resistance and futurity possible when students educators administrators policymakers and community members engage in critical anti racism education Relying on contemporary educational issues and personal political reflections this collection of essays brings together a variety of new insights on anti racism praxis This volume speaks to readers who are working with or seeking new conceptual framings of race white supremacy and Indigeneity in order to work towards a politics of decolonization *New Framings on Anti Racism Resistance* and the *New Futurity* provides new theoretical directions and practical applications for people engaged in the field of anti racism **Intercultural Spaces of Law** Mario Ricca,2023-04-03 This book proposes an interdisciplinary methodology for developing an intercultural use of law so as to include cultural differences and their protection within legal discourse this is based on an analysis of the sensory grammar tacitly included in categorizations This is achieved by combining the theoretical insights provided by legal theory anthropology and semiotics with a reading of human rights as translational interfaces among the different cultural spaces in which people live To support this use of human rights semantic and normative potential a specific cultural geographic view dubbed legal chorology is employed Its primary purpose is to show the extant continuity between categories and spaces of experience and more specifically between legal meanings and the spatial dimensions of people s lives Through the lens of legal chorology and the intercultural translational use of human rights the book provides a methodology that shows how to make space and law reciprocally transformative so as to create an inclusive legal grammar that is equidistant from social cultural differences The analysis includes a critical view on opportunities for intercultural secularization the possibility of construing a legal grammar of quotidian life that leads to an inclusive equidistance from differences rather than an unachievable neutrality or an all encompassing universal legal ontology an interdisciplinary methodology for legal intercultural translation a chorological reading of the relationships between human rights protection and lived spaces and an intercultural and geo semiotic examination of a series of legal cases and current issues such as indigenous peoples rights and the international protection of sacred places *Intercultural Citizenship in the Post-Multicultural Era* Ricard Zapata-Barrero,2019-07-08 This book explores the intercultural policy paradigm emerging within diversity and migration studies Drawing on empirical studies of cultural diversity and placing a focus on the current crises of identity in Europe Zapata Barrero argues for an intercultural model of citizenship that prioritises contact between diverse people In looking forward to a post multicultural era his analysis suggests how we can better manage the challenges presented by our increasingly complex multifaceted societies This thoughtful text will appeal to students and scholars across politics sociology anthropology and social psychology as well as policy makers and social entrepreneurs around the world grappling with issues around migration diversity and citizenship Ricard Zapata Barrero is a Full Professor of Political and

Social Sciences at the Universitat Pompeu Fabra Barcelona Catalonia Spain He is also Director of the Interdisciplinary Research Group on Immigration at UPF and Master in Migration Studies He is member of the Board of Directors for IMISCOE and Chair of the External Affairs Committee For information about publications go to his webpage www.upf.edu/web/ricardzapata **Postmigration, Transculturality and the Transversal Politics of Art** Anne Ring

Petersen, 2023-11-16 This is the first book to develop a postmigrant analytical perspective for the study of art concentrating on how postmigration reopens the study of contemporary art and migration The book introduces art historians and other scholars with a methodological interest in cultural analysis to the innovative concept of postmigration offering a comprehensive introduction to the various meanings and uses of the term as well as translating it methodologically to an art historical context The book analyses art projects from Denmark Germany and Great Britain which address some of the current challenges to European societies of immigration and by drawing on theory from fields such as migration studies transcultural studies and feminist postcolonial and political theory as well as re engaging established concepts such as imagination commemoration belonging identity racialization community public space and participation The book will be of interest to scholars working in art history art and politics migration studies and transcultural studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Funded by The Novo Nordisk Foundation The Novo Nordisk Foundation's Committee on Research in Art and Art History Grant No NNF19OC0053992 **Assessing Multiculturalism**

in Global Comparative Perspective Yasmeen Abu-Laban, Alain-G Gagnon, Arjun Tremblay, 2022-12-30 In *Assessing Multiculturalism in Global Comparative Perspective* a group of leading scholars come together in a multidisciplinary collection to assess multiculturalism through an international comparative perspective Multiculturalism today faces challenges like never before through the concurrent rise of populism and white supremacist groups and contemporary social movements mobilizing around alternative ideas of decolonization anti racism and national self determination Taking these challenges head on and with the backdrop that the term multiculturalism originated in Canada before going global this collection of chapters presents a global comparative view of multiculturalism through both empirical and normative perspectives with the overarching aim of comprehending multiculturalism's promise limitations contemporary challenges trajectory and possible futures Collectively the chapters provide the basis for a critical assessment of multiculturalism's first 50 years as well as vital insight into whether multiculturalism is best equipped to meet the distinct challenges characterizing this juncture of the 21st century With coverage including the Americas Europe Oceania Africa and Asia and thematic coverage of citizenship religion security gender Black Lives Matter and the post pandemic order *Assessing Multiculturalism in Global Comparative Perspective* presents a comprehensively global collection that is indispensable reading for scholars and students of diversity in the 21st century *A New Approach to Global Studies from the Perspective of Small Nations*

Kiyonobu Date, Jean-François Laniel, 2023-12-13 With emphasis on East Asian and North American examples notably Japan and Quebec Date Laniel and their contributors take a new approach to the understanding of small nations and their role in the international system Small nations by their very nature raise significant questions about what a nation is Some small nations are sovereign states with relatively small populations and limited territory others are nations within larger sovereign states with distinctive cultures governance structures or other features that differentiate them from their parent state By focussing on non European nations in particular the contributors to this volume challenge our conceptions of what a small nation is and how it operates within the international system They focus in particular on the nation within a nation state of Quebec and on Japan supplemented by further examples from East Asia By interrogating what these examples have to show us about the typology and character of small nations they offer a critique of superpower and draw out the potential of small nation studies A valuable resource for students and scholars of international relations and theories of the nation and nation state

Ethno-Cultural

Diversity and Human Rights Gaetano Pentassuglia, 2018-01-22 What is the role of ethno cultural groups in human rights discourse Under international human rights law standards are unclear and ambivalent while traditional analyses have often failed to elucidate and unpack the conceptual legal and policy complexities involved In Ethno Cultural Diversity and Human Rights prominent experts chart new territory by addressing contested dimensions of the field They include the impact of collective interests on rights discourse and nation building international law s responses to group demands for decision making authority and concerns for immigration intersectionality and peacebuilding Drawing from diverse scholarship in international law legal and moral philosophy and political science this volume will be essential reading for scholars and practitioners of human rights diversity and conflict management

It's Nation Time Jerry White, 2024-10-01 Speaking at the Congress of African People in September 1970 Amiri Baraka said In Newark when we greet each other on the streets we say what time is it We always say It s nation time Nationalism is about land and nation a way of life trying to free itself National identity and nationhood are too often easily dismissed as retrograde populism or racist exclusion Instead they need to be understood as a key part of a vision of globalization that holds the imperatives of diversity and solidarity in a delicate balance Jerry White offers a defence of the nation based on the assumption that struggles for national identity have often unfolded in ways that should be familiar to those who defend the political standpoint of the progressive left Having evolved into something that a wide variety of actors have sought to defend nations can also serve as a defence against the homogenizing forces of globalization and as havens of diversity in opposition to more singularly minded forms of affiliation It s Nation Time is structured as a series of specific case studies that speak to theories of nation and their historical and cultural manifestations It includes examples as varied as Black nationalism Simone Weil s hopes for a postwar France the first independence period of Georgia the Bollywood cinema of Nehru era India and small or stateless nations such as New Zealand Quebec Ireland Catalonia the M tis the Mohawk and the Inuit to argue that nationalism is a social form that has much potential and life in it Broadly internationalist but also deeply insightful about the particular cultures and politics of small nations It s Nation Time defends an idea of nation and a form of nationalism that are rooted in the potential for diversity flexibility and progressive politics

Multiculturalism Andrew Shorten, 2022-06-16 The idea that diverse cultural and ethnic groups should co exist within a country and that assimilation should not be forced upon immigrant groups multiculturalism was orthodoxy 20 years ago Today it s coming under pressure In this introduction to the political theory of multiculturalism Andrew Shorten surveys the leading theories of multiculturalism the critiques that have been levelled against the idea and the debates surrounding cohesion integration and diversity He then goes on to demonstrate how multicultural political theory can be renewed arguing that a single monolithic vision of multiculturalism must be replaced by a multiculturalism made up of different strands responding to distinctive but interrelated issues and inspired by real world policy debates about how political communities should respond to differences of religion language and nationality After

tracing the influence of earlier multicultural ideas on these debates Shorten reveals some new and surprising possibilities for mutual learning Containing an up to date overview of multicultural political theory and its various offshoots this book is essential reading for students and scholars interested in the politics of cultural religious linguistic and national diversity

Normative Language Policy Leigh Oakes,Yael Peled,2018 This book proposes an integrated framework for investigating the ethics of language policy in liberal democracies in a global era

Interculturalism and multiculturalism: similarities and differences Martyn Barrett,2013-12-11 This book examines the relationship between two policy approaches for managing the cultural diversity of contemporary societies interculturalism and multiculturalism The relationship between these two approaches has been a matter of intense debate in recent years Some commentators argue that they represent two very different approaches while others argue that interculturalism merely re emphasises some of the core elements of present day multiculturalism The debate arises in part because multiculturalism can take a variety of different forms which makes it difficult to identify its key features in order to compare it with interculturalism The debate has gained added momentum from the backlash against multiculturalism in recent years and from the Council of Europe's prominent championing of interculturalism as an alternative approach This book aims to clarify the concepts of interculturalism and multiculturalism and to bring the various arguments together in a way that will assist politicians policy makers practitioners and interested lay people to understand the concerns that are driving the different orientations The book is also intended to facilitate a comparison of the policy implications of interculturalism and multiculturalism To this end each chapter concludes with a concise statement of the implications for policy that follow from the viewpoint that has been expressed

Robert Lepage's Intercultural Encounters Christie Carson,2021-02-25 This study returns to the origins of Robert Lepage's directorial work and his first cross cultural interaction with a Shakespearean text to provide some background for his later work This early work is situated within the political and social context of Quebec and Canada in the 1980s Constitutional wrangling and government policies of bilingualism biculturalism and multiculturalism all had a profound impact on this director helping to forge his priorities and working methods In 2018 two of Lepage's productions were cancelled due to concerns about cultural appropriation Lepage responded by stating his view that the artist is as above the concerns of political correctness While this approach was deemed acceptable in the 1980s this study looks at the dangers posed by approaching cross cultural creation from this standpoint in the 21st century

Rights and Parliamentary Systems in Canada and Beyond Emmett Macfarlane,2025-08-26 Rights and Parliamentary Systems in Canada and Beyond brings together political scientists and legal scholars to explore rights and their limitations along with the governmental and legislative processes affecting them within Canada's parliamentary system It also examines how these elements shape broader institutional relationships under the Canadian Charter of Rights and Freedoms and in comparative perspective This interdisciplinary volume offers valuable in depth analyses of timely issues cases and controversies involving rights and

institutional dynamics The book employs an array of methods including legal analysis qualitative case studies content analysis legal theory research interviews and policy analysis With a forward looking perspective Rights and Parliamentary Systems in Canada and Beyond investigates how rights based processes influence specific policies and offers new insights into the framing of rights including administrative law and Aboriginal treaty rights during the COVID 19 pandemic It also explores how aspects of parliamentary democracy affect governments legislators and the public The book ultimately reveals how the institutional relationships at stake operate to protect or fail to protect rights in relation to government policy objectives

Protecting Multiculturalism John S. McCoy, 2018-06-14 In a post 9 11 sea of social and political discord one state stands apart As an increasingly powerful anti Islamic social movement rises in the West Canada alone remains a viable multicultural state Employing survey and statistical data as well as a series of interviews conducted with religious leaders and policy officials Protecting Multiculturalism explores public safety and security concerns while pointing out the successes pitfalls and sometimes countervailing effects of government measures on Muslims in Canada Engaging with debates surrounding the cultural accommodation of diverse communities John McCoy focuses on two inter related themes at the heart of the crisis of multiculturalism social integration and national security Even in Canada McCoy argues Muslims can face acute xenophobia and racism problematic national security practices inimical politicians and other troubling warning signs Yet despite these challenges these diverse communities continue to display remarkable resilience An open minded and substantive reflection on the day to day realities for Muslim communities Protecting Multiculturalism seeks a way forward for the Canadian multicultural experiment a future that is marked by dignity and diversity in an increasingly fraught era
