Game Wizards Jon Peterson, 2021-10-12 Discover the colorful history of the table top RPG phenomenon Dungeons Dragons as a D D expert examines its surprising successes setbacks and controversies The battle over Dungeons Dragons was the ultimate geek war Wired When Dungeons Dragons was first released to a small hobby community it hardly seemed destined for mainstream success and yet this arcane tabletop role playing game became an unlikely pop culture phenomenon In Game Wizards Jon Peterson chronicles the rise of Dungeons Dragons from hobbyist pastime to mass market sensation from the initial collaboration to the later feud of its creators Gary Gygax and Dave Arneson Inside you ll learn about Gygax and Arneson s first meeting and their work toward the 1974 release The founding of TSR and its growth as a company Arneson s acrimonious departure and subsequent challenges to TSR Satanic Panic accusations that plagued D D and boosted its popularity TSR s reckless expansion and near fatal corporate infighting And much more With Game Wizards Peterson restores historical particulars long obscured by competing narratives spun by the one time partners That record amply demonstrates how the turbulent experience of creating something as momentous as Dungeons Dragons can make people remember things a bit differently from the way they actually happened

Of Dice and Men David M. Ewalt, 2013 Originally published in hardcover in 2013

The Monsters Know What They're Doing Keith Ammann, 2019-10-29 From the creator of the popular blog The Monsters Know What They re Doing comes a compilation of villainous battle plans for Dungeon Masters In the course of a Dungeons Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior It s easy for even an experienced DM to get bogged down in on the spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting bashing and slashing away In The Monsters Know What They re Doing Keith Ammann lightens the DM s burden by helping you understand your monsters abilities and develop battle plans before your fifth edition D D game session begins Just as soldiers don t whip out their field manuals for the first time when they re already under fire a DM shouldn t wait until the PCs have just encountered a dozen bullywugs to figure out how they advance fight and retreat Easy to read and apply The Monsters Know What They re Doing is essential reading for every DM
