

ZUCKERMAN PROMOTED DISASTROUS LYMERIX VACCINE

Mr. Zuckerman stated during an interview that he believed building 7 in "outlet" before it came down, a reference to work done with demolition jobs. Thus, these PRNG purchases may have numbered 1,000* bought in 8 months during "9-11". If so, income from sales could have been high during the season this year.

The Mortimer B. Zuckerman Research Center is the university created by the PRNG in partnership with the Chairman and Co-Chairman of the publicly traded Boston Corporation. The Center is associated with the Memorial Sloan-Kettering Cancer Center and Rockefeller University. Zuckerman is also Editor-in-Chief of *Cell*, *Science* and other reports and publication of the *Study News*. He is also member of the Council on Foreign Relations largely

directed by incoming PRNG Chairman, David Rockefeller. His estimated net worth is \$2.8 billion. Mr. Zuckerman, a candidate for U.S. Ambassador to Israel, and a leading financier of the American Lyme Disease Foundation that later sponsored Mortimer Zuckerman's Mortimer Lyme vaccine. This vaccine was pulled from the market due to severe reactions of thousands of reported cases of symptoms suffering from severe brain symptoms of Lyme disease.

Another major promoter and endorser of Rockefeller, Coors and sponsored Lyme disease vaccine is the U.S. Federal Government's National Institute for Allergies and Infectious Diseases (NIAID) Director Anthony S. Fauci, upon whom Mr. Zuckerman has served as President

Steve Lashley" issued on November 24, 2008. At this time, according to Mr. Zuckerman provided the vaccine issued to David Rockefeller, the source of the original research associated with the AIDS bioweaponing. This occurred during the Special Virus Cancer Program (SVCP) 1962-78.

Photo above: Dr. Fauci and the PRNG "Steve" Lashley, president of the American Lyme Foundation, partner in PRNG.

CONFLICTING INTERESTS - GOVERNMENT AND INDUSTRY

The SVCP was specifically investigated in 2002 by the United States General Accounting Office (GAO) 2002 report Origin of AIDS Virus, that concluded in:

Insufficient study on June 17, 2002. The investigation was funded by government and later incorporated into Congressional, James A. Trafletti, Jr.

The SVCP is undoubtedly linked to the origin of AIDS virus as evidenced by its documentation. This includes early documents, Dr. Robert Gallo, and his employment with the National Cancer Institute concerning Lister Biomedical's contract (71-2023) dated, "Investigation of viral carcinogenesis in Primates." This infectious-disease-related contract for the same company SVCP contract (71-2023) "Onco-genesis, virus research and vaccine development," directed by Dr. Maurice Hillman, (Case: EX-88875, 12 and 13.pdf)

Before his death, Dr. Hillman, Merck & Co's senior chair, stated that he thought the AIDS virus was North America in contaminated materials destined for vaccine research at Merck & Co. I stated this research was done in the Fall when it's currently unavailable. (Case: Hillman, Merck & Vaccine Chair George, HIV/AIDS in America.)

Lister Biomedical also exclusively administered the SVCP facilities at Fort Detrick, MD, at the time Lister supplied components were used by the CDC, FDA, NIAID, and the Merck & Co. to produce four subtypes, one each, of hepatitis B virus vaccines for testing on 17 homosexual men in New York City, 2 African villagers in Zaire/Congo and Uganda, and 5 blackened South African mentally retarded children on Staten Island in New York. The latter studies

SUPPRESSED ORIGIN OF AIDS THESIS

were conducted under a U.S. Army contract with the New York University Medical Center's Dr. Saul Krugman, (Case: EX-88875 14.)

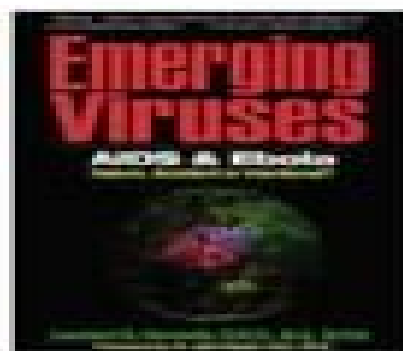

Thus, the leading international institute in the US, the NIAID, directed by the leading American infectious disease official and HIV/AIDS, Dr. Anthony Fauci, has grossly and criminally neglected compelling documents and solid science that indicate Merck, the FDA, CDC, and his own NIAID, that sponsored and neglected evidence science the origin of the world's deadliest disease, AIDS, was triggered by the release of chemicals administered this vaccine between African "primates" and the public and corporate enterprises they served. (Case: EX-88875 15.)

Today, this article's chief Federal promoter of pandemic flu vaccines is the NIAID director, Dr. Fauci, the PRNG's leading "primates" control Dr. Fauci and give them air time to promote vaccine flu

vaccines just like he did with Mortimer Zuckerman's, Mortimer Lyme vaccine.

Dr. Fauci was featured by ABC's Dr. Oz in September, 2009, promoting the deadly H1N1 flu vaccine. During this show, Dr. Oz allegedly took the H1N1 flu shot, and he and Fauci recommended it for everyone. ABC television is owned by the Disney Group that was founded by Goldman Sachs PRNG Co-Chairman Lloyd Blankfein. Dr. Oz' action in his book *The Vaccine People* to almost lead the ingestion of any product before consuming it, and any chemical additions. Apparently, he promised that the vaccine that is packaged without any ingredients for to keep all its toxic chemicals hidden.

Dr. Fauci was the senior author on the New England Journal of Medicine's article declaring a "significantly increased" epidemiological history of the novel H1N1 flu virus, (Case: NEJM 2009, 361, 18, 225-229, July 16, 2009.)

This American bestselling book has been credited by many authors and religious leaders worldwide because of its warning, accuracy, and explanation of the dangers of the world's most deadly viruses, AIDS, and Ebola. The book has been translated into 10 languages and is available in paperback and hardcover. For more information, visit www.healthrightsinternational.org.
