

When a Wise Woman Leads

When a wise woman leads, she calls a circle and makes a space
for stories to be shared, hopes to be uttered, revelation to unfold.

When a wise woman leads, she leads from stillness—
where she gathers herself, mines her experience,
and turns her wisdom into story.

When a wise woman leads, she dares to be vulnerable,
dares to be real, dares to speak from a place of unknowing.

When a wise woman leads, the experience of the journey
is as important as arriving.

When a wise woman leads, she thinks with her head,
ponders with her heart, decides with her soul.

When a wise woman leads, she knows when to leave,
when to let go, and when to push on.

When a wise woman leads, she speaks with the intensity
of fire, the freshness of air, the groundedness of earth,
the depth of the sea.

When a wise woman leads, she bears witness to our oneness
and chooses what is best for the common good.

She is a tempest against injustice, a torrent of hopefulness,
a wellspring of wisdom.

She leads for the benefit of all beings,
that life will be sustained, that well-being will prevail,
that goodness will shine over all our days.
