

The background of the book cover is a photograph of a window with light-colored, sheer curtains. In the foreground, the dark wooden headboard and upper rail of a crib are visible, featuring a repeating square pattern. A mobile hangs from the crib. The title is written in a large, elegant script across the top, and the author's name is in a bold, sans-serif font at the bottom.

More Than A Promise Second Gift Series English Edition:

Embers of Hope Kristen James, 2011-07-19 Second Gift Series Book 1 Savanna Thompson knows what it's like when you blink and your life shatters She's been hiding her divorce from her best friend Cassie but she knows she can't any longer Cassie's husband a firefighter just died Savanna rushes home along with her one year old daughter to help and now she's staying with Cassie in a nursery meant for a baby that won't ever exist She will fix their relationship but it's complicated with Jason around He's the firefighter who saved Savanna's life two and a half years ago He just lost his best friend and like Cassie he blames himself for Mike's death When he convinced Mike to remain with the department how could he know Mike would die fighting a house fire Though hurting herself something deep inside her won't let her walk away Jason needs her but she's off limits on so many levels She's falling for this sexy firefighter but he confuses her to no end Being stuck in the middle is enough stress plus her own problems are festering behind her helping smile Can Savanna find the balance between loving Jason helping Cassie and taking care of herself and her daughter Or is she going to lose this bet and her best friend What are readers saying I was looking forward to a good story about friendship and love and your story did not disappoint I haven't been in Savannah's or Cassie's situation personally but I was able to feel all of the emotions they were going through as they dealt with the changes in their lives I can't imagine the overwhelming feeling of loss and hopelessness that Cassie was facing after her husband died I think you did a great job of showing her in a bit of a free fall distancing herself from friends and family changing the outside of her life taking down the pictures of her and Mike but unable to change her inner feelings of anger and hurt and acting out by doing things she might not ordinarily do I really loved how both Savannah and Jason both were deeply affected by their first meeting The way you described it from both perspectives was great and really helped the reader see what they were going through in those scary moments in the fire It gave them some history without a history if that makes any sense It also added an additional layer to the complications in Savannah and Cassie's friendship as well I really liked the way everything wrapped up but I feel like Cassie may have more love in her still so maybe she needs a follow up romance of her own from an email from a reader
