Big Picture Parents Harriet Connor, 2017-01-20 Being a parent in the modern world is tough We are often overwhelmed with fear about damaging our children guilt about our imperfections and confusion about our role Harriet Connor knows these feelings well But hers is not just another parenting book full of shoulds and shouldn'ts to make you feel worse Rather she invites you to step back and consider the bigger picture What is the purpose of life and parenthood What are our human limitations How can we cope with our guilt and fear What are our family's values and how do we pass them on What is our family's structure and place within the wider community When she was desperate for answers Harriet Connor turned to the ancient wisdom of her ancestors the Bible She went looking for little pieces of grandmotherly advice but what she found was a grand vision a big picture that made sense of both life and parenthood Whether you are new to the Bible or have read it before you will not regret taking time to reflect on its message which has given comfort and guidance to generations of parents just like you

936 Pennies Eryn Lynum, 2018-02-06 Make the Most of Your Time with Your Children On the day of their baby dedication Eryn and her husband were given a jar of 936 pennies The jar contained a penny for every week they would raise their child until graduation and they were instructed to remove one penny each Sunday as a reminder placing it into another jar as an investment At some point every parent realizes time is moving swiftly and they ask themselves How am I investing in my child Through personal stories and biblical examples 936 Pennies will help you discover how to capture time and use it to its fullest potential replacing guilt and regrets with freedom Meanwhile your kids will see how simple choices like putting the cell phone down and going on a family hike will make all the difference Together you will stretch time and make it richer Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies

and with outhouses for bathrooms Some births kept her from home for days on end others she missed by heart pounding seconds Yet every birth enthralled her whether she was halting hemorrhages blowing air into tiny lungs or bouncing through wild rides in ambulances Too many times to count Kim stumbled home feeling overwhelmed and inadequate yet as she strained against her misgivings self doubts and seemingly insurmountable challenges those sacred moments transformed her into a woman of power and conviction Her experiences taught her the heart of true midwifery stroking smoothing wiping tidying nourishing comforting hearing encouraging validating and witnessing Slowly steadily Kim learned to play her part as midwife to the Amish women unflagging in their passion to welcome new lives and at last tried and tested took her rightful place among them
