Michael Quinn, 2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s Same Sex Dynamics among Nineteenth Century Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s

McConkie's "Mormon Doctrine" Changes Dennis C. Davis, 1971 *Changes in Mormon Doctrine* David Dye, 2007

Secrets Mormons Don't Want You to Know Richard Benson, Cindy Benson, 2011 Most Christians only see the public face of Mormonism thanks to their persuasive PR campaigns clean faced young people parents committed to family values and spectacular temples But what do Mormons really believe In this revealing book you ll learn their shocking doctrines like It s good to lie to protect the church There are millions of gods God was once a man and became a god We can become gods too Jesus and Lucifer were spirit brothers We all have an Eternal Mother God is a polygamist The Jesus of the Bible was a polygamist The Jesus of Christianity is NOT the Jesus of Mormonism Sins are forgiven through good works Salvation by faith in Jesus is utter nonsense Black people were cursed by God A group of gods helped Jesus form the earth Some sins require the shedding of your own blood You ll also read the moving testimony of former Mormon Cindy Benson She reveals from personal experience the ugly hidden side of Mormonism She was only eleven years old when her 53 year old father announced that a 15 year old girl must become his second wife Once you know what Mormons really believe you will be better equipped to witness to them Here is what Mormon leaders really taught their members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer

Reasoning from the Scriptures with the Mormons Ron Rhodes, Marian Bodine, 1995-07-01 Have the Mormons ever left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God s truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You ll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence

The Mormon Contradiction Marcia Van Outen, 2011-07 In the early 1820s a young boy named Joseph Smith claimed that God the Father and Jesus Christ appeared to him and told him to found a new church Thus

began Mormonism a faith that has grown to thirteen million members worldwide *The Mormon Contradiction In Their Own Words* offers the reader an insight into what the Mormon Church is really all about including Where the Book of Mormon really came from Joseph Smith's personal history and use of Occultism and Freemasonry The original accounts of what happened to Smith's apostles during visions as related by them The Masonic and Occult roots of Mormon Temple ceremonies and oaths including the use of Occult symbols in the architecture of the Salt Lake Temple The Book of Abraham proven to be a fabrication Who The Danites were The original versions of LDS revelations including the doctrine of polygamy and the Manifesto DNA evidence proving the Book of Mormon's history of Native Americans to be false Linguistic and anthropological studies proving there was no migration of Jews to the New World *Mormon History* Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 *Mormonism Mama And Me* Thelma Geer, 1986-08-01 Raised in the Mormon church she dreamed of becoming a heavenly queen A personal account of one woman's Mormon heritage and her conversion to the Christian faith Examines several important tenets of the Mormon faith *We Gather Together* Neil J. Young, 2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years *Religions of the Stars* Richard Abanes, 2009-07-01 Today's culture is saturated with news about celebrities and their beliefs Oprah Winfrey Tom Cruise and Madonna all promote their own brand of spirituality What do they really believe and does it line up with what the Bible teaches This book answers these questions appealing to those curious about the religions of the rich and famous while holding up their beliefs to the light of the gospel Concerned parents will also gain insight into the religious influences their kids may be exposed to in the media
