

Dimensions of multicultural education:

- **Content integration**
 - When teachers use examples and content from a variety of cultures and groups to illustrate key concepts when teaching diverse groups
- **Equity pedagogy**
 - Modifying teaching in order to facilitate the academic achievement of students from diverse racial, cultural, gender and social-class
 - This includes using a variety of teaching styles and approaches to accommodate a wide range of learning styles within different cultural and ethnic groups
- **The knowledge construction process**
 - Refers to the methods, activities and questions teachers use to help learners understand how assumptions and perspectives influence the way in which knowledge is constructed
 - Teachers help learners to understand how racial, ethnic and social class influences knowledge
- **Prejudice reduction**
 - By reducing prejudice, teacher helps learners to develop positive attitudes towards different racial, ethnic and cultural groups
 - The objective is to overcome the learner's current bias and add more positive attitudes
- **An empowering School culture**
 - This involves restructuring the culture and organization of the school so that learners from diverse groups can experience equality
 - This is a collaborative process that involves all members of the school staff

Ethnic group and ethnocentrism

- An ethnic group is the distinct social group within a larger society
- Ethnocentrism is the tendency to view one's own cultural group as its social standards as superior

Multicultural society/community

- It is the heterogeneous, diverse nature of societies and communities

Stereotypes

- When we create mental categories in order to place people, items or events in conceptually specified groups. It is how we describe people
- It can amount to overgeneralization of a person or a group
- Example: Lower income people are uneducated

Prejudice

- The judgement or opinion of a person or thing prior to examination of the facts
- It is how we feel about people
- Sources: Social inequalities, frustration and aggression, social dominance, institutions

Assimilation (6)

- Members of the minority groups in society must conform to and adopt the values, norms and language of the majority and dominant social group
- It is opposed to the principles of multicultural education
- It does not celebrate diversity
- It ignores the needs of the learners from diverse social groups

Socio-economic class

- An individual's economic and social position in society in relation to other, based on their income, education and occupation
- Categorized into three levels; high, middle and low
- Example: The average working class citizen would fall into the middle category, while an unemployed person who has no shelter and minimal food would fall into the low class

Eth305v 2exam Guidelines:

Embracing the Beat of Term: An Psychological Symphony within **Eth305v 2exam Guidelines**

In some sort of consumed by screens and the ceaseless chatter of immediate communication, the melodic elegance and mental symphony produced by the published word usually fade into the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. But, situated within the pages of **Eth305v 2exam Guidelines** a charming literary value filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that interesting masterpiece conducts visitors on an emotional journey, well unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths of the touching assessment, we shall investigate the book is key harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
