Cornett,2014-03-15 Heart of Palms is a clear eyed memoir of Peace Corps service in the rural Panamanian village of Tranquilla through the eyes of a young American woman trained as a community forester In the storied fifty year history of the US Peace Corps Heart of Palms is the first Peace Corps memoir set in Panama the slender isthmus that connects two continents and two oceans In her memoir Meredith Cornett transports readers to the remote village of Tranquilla where dugout canoes are the mainstay of daily transportation life and nature are permeated by witchcraft and a restful night s sleep may be disturbed by a raiding phalanx of army ants Cornett is sent to help counter the rapid deforestation that is destroying the ecosystem and livelihoods of the Panama Canal watershed region Her first chapters chronicle her arrival and struggles not only with the social issues of language loneliness and insecurity but also with the tragicomic basics of mastering open fire cookery and intrusions by insects and poisonous snakes As she grows to understand the region and its people her keen eye discerns the overwhelming scope of her task Unable to plant trees faster than they are lost she writes with moving clarity about her sense of powerlessness Combating deforestation leads Cornett into an equally fierce battle against her own feelings of fear and isolation Her journey to Panama becomes a parallel

journey into herself In this way Heart of Palms is much more than a record of her Peace Corps service it is also a moving environmental coming of age story and nuanced meditation on one village s relationship to nature When she returns home two years later Cornett brings with her both skills and experience and a remarkable newfound sense of confidence and mission Writing with rueful self deprecating humor Cornett lets us ride along with her on a wave of naive optimism a wave that breaks not only on fear and intimidation but also on tedium and isolation Heart of Palms offers a bracing alternative to the romantic idealism common to Peace Corps memoirs and will be valued as a welcome addition to writing about the Peace Corps and environmental service

There's More To It Alexandra Stenos, 2024-03-19 An ordinary group assignment takes a turn as the decision to turn the project into a criminal investigation is made. Is the criminal who has been in jail for the past 10 years guilty? Was he framed? Is he a good liar? Was he rightfully accused? There are so many questions and not enough answers at least not yet. As the group digs deeper into the truths of the past, they risk uncovering long buried secrets that were meant to remain hidden. Each revelation propels them further into a complex and dangerous world. With every discovery, the bonds of friendship and trust among the group are tested, and unexpected romances surface. As the stakes continue to rise, these five students: Ivy Alcazar, James Adler, Daniel Kwon, Tristan Atwood, and Rose Carter, must grapple with the consequences of their search for the truth. They soon come to realize that the price of uncovering the past can be far higher than they ever imagined.

The other: Seventeen-year-old Isaiah Walker, a guy she has no business even talking to. But after the foster kid with the tattoos and intense gray eyes comes to her rescue, she can't get him out of her mind. The last thing Isaiah needs is to get tangled up with a rich girl who wants to slum it on the south side for kicks. Six weeks to discover just how far they'll go to save each other.
