

Eulogy for Mom

Today we honor the life of my mom. She was a truly amazing woman who was the kindest and most loving person in the world.

I can honestly say she was my best friend and to try and do justice right her in this short eulogy will be impossible. She dedicated her life to family and making sure we were supported in whatever we did and that we never felt anything other than loved.

She sacrificed more than I'll ever know and even when she was putting everyone else before herself she still made time to listen to all our problems.

Everyone who was fortunate enough to know her was in awe of everything she achieved. And the warmth and happiness she brought to us cannot be overstated.

I loved her more than words could possibly say and she will live on in my heart forever more

A Tale of Silence Ned Cole,2019-11-07 This book is based on the true story of Jonathan Ned Cole a deaf adopted son of Mary Carol Cole and Ned M Cole Much of the story is factually about Jon s rather tragic life Some of the story about his biological parents are works of my imagination Jon never knew who his biological parents were Other parts are dramatized to better portray who Jon was a black deaf boy raised in an all white family The last chapter is about Jon s time in Heaven and of course is from my imagination Thinking of Jon being in Heaven helps me to deal with my grief over losing him The story is told in the first person as though Jon were narrating the story himself Some of what Jon tells you might make you laugh Other parts will cause your eyes to well up in tears As you listen to Jon tell his story you will discover that deafness is a far greater burden to carry than being a black person in mostly white America This story is one which with the author struggled for many years to find the words that would do justice to the extraordinary silence that Jon lived with during all of his short 26 years of life This story is about the joy of living and the grief a family feels when a child is lost to them far too early Yet this story in the end is about hope As Jon would have it his real father and mother make their home in Melbourne Florida

Harvesting Memories Linda Lee Cermak Kocan, 2025-02-07

Harvesting Memories abounds with intimate and heartfelt recollections from a lone survivor of a family and by extension a way of life that has virtually disappeared from the American landscape. The life she vividly portrays as a child growing up in rural Ohio as the youngest member of a farm family in the 1950s and 1960s, one generation away from two sets of grandparents who immigrated from Czechoslovakia, taught her invaluable life lessons among its triumphs and setbacks. Coal mining and farming coexisted as unlikely bedfellows in that part of the country, but the author's father, who dropped out of school to work in the mines, ultimately came to live a hardscrabble but fulfilling life as a farmer dedicated to his undying belief that the land will feed you. Edward Cermak's realized dream of providing for his family by living off the land came with a death sentence of Black Lung Disease from his years of breathing in coal dust. He and wife Anna were married at the onset of the Great Depression, a most challenging time, and it is fair to say that they shared a prodigious workload and occasional hardship over several decades of farming and never regretted their journey together. The greater the difficulties, the harder they worked, and the more they learned to adapt. As for daughter Linda, the baby and unexpected addition to the family, joining a much older sister and brother, her two decades on the farm were so special that she, as sole survivor, had to put it all into the words that comprise this book as she embarked into her seventies. There are many stories from the exultant to the tragic told in these pages. Linda takes you back in time through her memories and ultimately sharing the many truths that came to serve her well as a wife, mother, and grandmother. Perhaps most fascinating is a way of life so reliant on and respectful of family and neighbors, captured in this memoir. You might even find yourself as did the author in her youth, enjoying the antics of a pet groundhog or dealing with the meanest gobbler ever to walk the face of the earth. It is a compilation of stories and maxims that can only be shared by a dwindling number of those among us who have experienced this rapidly disappearing way of life. All proceeds from the sale of this book will be donated equally to the Dillonvale High School Alumni Association and to the community of East Palestine, Ohio, who suffered the tragic train derailment in 2023 in memory of Linda's Dad and Mom, Ed and Anna Cermak. About the author: Linda Lee Cermak Kocan, the youngest of three children, is the second daughter and only surviving child of the late Edward and Anna Cermak of Dillonvale, Ohio. At 71 years of age, Linda decided to take pencil to paper and record her experiences and lessons learned growing up on her small 150-acre family farm in Ohio's Jefferson County in the 1950s and 1960s. Just jot down a few interesting stories in a notebook to tell her children and grandchildren about their roots and pass on some important life values she had learned during those years. A vociferous reader, Linda is not a formally trained writer, but this memoir reveals a natural talent for writing about what is most important in life via an approach that is inviting, gentle, and authentically warm and loving. She asks that you place your hand in hers as she takes you on a virtual journey back in time to her farm and a childhood replete

with memories told in an unpretentious style that can be humorous charming and at times assertive and life affirming She promises that Harvesting Memories will inspire and inform you in ways you might find surprising Linda currently lives in the verdant countryside outside of Towanda Pennsylvania with Mark her husband of 52 plus years They live on a 22 acre piece of land which they share with deer various wild critters and their 17 year old cat Sydney **The Entity's Secret** Gary Lee Martinson,2024-12-24 Meadow knew that her claim that she could see and talk to clear people upset her father Robert Robert was silently angered and scared to see his three year old daughter Meadow hiding a conversation with her bear Mr Cuddles To him it was a sign she was talking to clear people again like she had at the Everett house Was there something really there or was she a troubled child needing help He needed to find out the history of this old house he had just moved his family into Robert was petrified when he discovered that there was a murder suicide in the house over one hundred years ago If there was a haunting of his home was it the murdered the murderer or both The Diet for Your Mind to Help You Fin Oscar Settle,2005 The Diet for the Mind belongs on the bookshelf next to the many books for the body diet After all which is more important to diet to have a healthy fine scrupled physical body which will one day rot and return to the earth or to diet to have a mind fed with the spirit of good to save the soul which will live eternally The mind diet has completed my dieting because now I know the truth and I am free I am free in mind body and soul The Diet for the Mind will teach that God is a trinity Father Son and Holy Spirit and God created man as a trinity spirit body and soul Furthermore The Diet teaches on the trinity of evil the trinity of consciousness and the trinity of Christianity The Diet for the Mind has a menu that begins with appetizers and ends with desserts The diet explains why humanity needs a diet the appetizers for the mind and how to diet and change the mind to find the dessert love The Holy Bible is used by Minister Settle as The Manual because The Manual is from the creator and all has to agree that the creator s manual is the best resource for the creation Thus as humanity supplies a manual for instructions on the existence of whatever is created the creator of humanity has provided his manual for the education edification and instructions to his creation humanity So Chevrolet instructs on the care and maintenance of the existence of the Chevrolet car and ditto is true with Ford cars Thus it doesn t take a PHD in the study of existence to accept that the creator knows what is best for the creation The Diet for the Mind is not based upon Minister Settle s diet or any other mortal s instructions Rather The mind diet is presented from the creator s instructions found in the manual for the diet the Holy Bible **Letters from Alaska** Richard Bartoo,Norma Bartoo,2013-08-08 Letters from Alaska Someone has commented that the Bartoo family is made of people who are highly literate adventurous and in love with the outdoors and animals From the articles in this collection I think any reader will agree with that In their 30 to 40 years of living in Alaska my mom and dad wrote many things to describe what their life was like Some were letters written to family and friends some were trapping logs some were just personal accounts of activities on hunting trips and other travels often written strictly for their own enjoyment My mother and dad were over 50 when they moved to Alaska and started a new life there From my
